### Hastings County School Board Sets Tax Rate At Monday's Meeting

Hastings County's 1969 education budget came in Monday night at \$23 million more than last year, but still within the 15 percent increase guideline suggested by the minister of education.

Board chairman James Clarke called the budget "an encouraging first step towards the provision of equality of education."

In presenting the \$14,902,801 budget he outlined an 11 point program aimed at up-grading educational opportunities in the county.

Included were provisions to establish kindergartens or three-tier programs in all parts of the county, to introduce French in all elementary schools, to eliminate all one-room schools, to appoint an audio-visual coordinator and 12 consultants for special educational services.

The increase of \$2,219,000 over the \$12,684,000 cost of education last year for the 13 individual boards then operating in the county represents a rise of 17.5 percent.

However, the increase includes two items; the cost of the school for retarded children and Canada Pension Plan payments for teachers. Neither were required by the department of education for inclusion in provincial grant calculations.

Using the elements of the budget which the department outlined for grant purposes, the county education budget increase is 14 percent, or one percent under the limit set by the minister.

Fixed expenses over which the board has no control account for three-quarters of the total increase. These are a pupil enrolment increase of over 4 percent; a full year's impact of increased teacher salaries negotiated in 1968; 4/10 of a year's impact of salary increases now being negotiated for 1969-70; an increase in debt charges; a provision for interest charges in anticipation of delayed tax revenues; the inclusion of personnel previously serving the county and formerly employed by the Ontario Department of Education and finally, the addition of the retarded children's authority to the county system.

The largest share of the budget \$10,072,889, goes for instruction, including teachers' and central administrators' salaries, supplies and classroom equipment.

Business administration, including trustees' honoraria, accounts for \$243,140 this year. Plant operation will cost \$1,182,277 and debt charges \$1,212,545.

Transportation costs will total \$900,663 in 1969 and maintenance of schools, including cost of portable classrooms, will amount to \$605,713. According to Donald Williams, of town, representative for Frankford, Sidney and Stirling on the County Board, Stirling will have the lowest increase of any municipality in the County, with a 7.6 mill increase or an increase of 20.2 over 1968.

Mr. Williams also noted that some of the rate increases in the County are as high as 97 percent. The City of Belleville increase is 21.1 percent.

Rawdon Township will have a 12.3 mill increase over 1968 or 40.1% increase over 1968; Sidney Twp. 13.8 mill increase or 31.9 over 1968; Thurlow Township 10.6 mill increase over 1968 or 22.9 percent over 1968; Frankford will have a 12.2 mill increase or 23.5 percent over 1968.

### Local and Personal

Mr. and Mrs. Al Dault, of Toronto, spent the week end with Mr. and Mrs. Don Donohoe and other relatives in the district.

Mr. and Mrs. Oskar Kujad, of Harold, are proud parents of a son, born in Belleville General Hospital.

Mrs. Edith Demorest visited her son, Adrian, in Toronto, and was also guest of Mr. and Mrs. Richard Revell and other relatives.

Mr. John Aitken, of Shelbourne, and Mr. Ray Fox, Rockingham, N.S., were Sunday guests of Mr. and Mrs. Hubert Andrews and Karen.

Dr. and Mrs. A. E. Lewis, Ottawa, visited with their cousins, Mr. and Mrs. J. L. Good, during the week end.

### Youth Centre Proposed

At the last meeting of the Stirling Recreation Council considerable discussion was given to the possible establishment of a Youth Centre in the Village of Stirling for teenage students.

It was felt that the group should be permitted to use the facilities of the auditorium of the Arena and would have an elected or appointed slate of officers.

All teenage students interested in such an organization are asked to attend a meeting with the Recreation Council at the Arena, on Saturday, May 24th, at 10.00 a.m.

### Local and Personal

Mr. and Mrs. Don B. Van Der Voort, Brantford; Mr. and Mrs. Roy Neal, Belleville; Mr. and Mrs. Ralph Carlisle, Mr. and Mrs. John Carlisle, Mr. and Mrs. Chas. Carter and Mr. and Mrs. Ross Carlisle were guests on Sunday of Mr. and Mrs. Geo. Carlisle.

### Brief History of The Success of Oak Hills Flying Club

In the Spring of 1964, a group of aviation enthusiasts from the Stirling district set out to form a flying club and establish an airport for the community.

A general meeting was called and interested people came from Campbellford, Marmora, Trenton and Stirling. A Club was formed and a committee was appointed to engage a road construction firm to build a 1500 ft. runway suitable for light aircraft.

The site chosen was on top of the Oak Hills at 625 ft. above sea level, on a farm owned by one of the members who also was a co-owner of an aircraft. The members raised considerable money to pay for the runway construction, and they gave freely of their time and energy to cut trees and brush, and remove other obstacles in order to make the runway suitable for approval of the Department of Transport for licensing.

Arrangements were made with the Prince Edward Flying Club of Picton to rent an aircraft on an hourly basis for the licensed pilots to fly. By the end of the summer, a number of aircraft owners had visited the site and their comments were very favourable. Enthusiasm ran high and plans were made to make further improvements to the runway, as well as erect a club house, install underground gas tanks and build hangars. A number of visiting aircraft owners indicated their desire to base their aircraft at the new location and on the strength of this, hangars were erected for rental. Building materials were purchased and the members erected and furnished a small club house. A gasoline company installed a gas pump and provided a very essential "wind sock".

The summer of 1965 was nearing an end before approval was given by the Department of Transport to license the runway, and immediately upon receipt of the licence, flying training was commenced, under the direction of the Prince Edward Flying Club, and continued until November of 1968. At that time, the Oak Hills Flying Club was granted a Class 6 Charter for Flying Training. This allows the Club to operate a Government Approved Flying Training School independent of other clubs.

At present, the Club owns two aircraft and has hangar facilities for eight other aircraft; an addition to the original club house provides a flight office, a private office and canteen. The east-west strip has been lengthened to 2000 ft. and an 1800 ft. north-south runway was built. In November of 1968, a two-way radio was installed, providing additional safety for aircraft in the vicinity.

### Rebekah News

The regular meeting of Laurel Rebekah Lodge was held on April 22nd.

Noble Grand Sis. Pat Merrill reported that the proceeds from the play, "Don't Darken My Door", sponsored by the Oddfellows and Rebekahs, netted over a hundred dollars.

Sis Marion Heath gave the report from the District Meeting held in Belleville on April 21st, and the new District Deputy President will be Sis. Bernice Booth, of Thomasburg Rebekah Lodge.

An invitation to attend a coffee party at Loch Lomond Rebekah Lodge in Campbellford, was received; also an invitation from Tweed Rebekah Lodge to attend their Birthday Party. On May 9th we are going to Oakdale Rebekah Lodge, Madoc, to confer the degree.

On April 21st, members of the Degree Team and several other Sisters went by bus to Louise Rebekah Lodge, Kingston, where they conferred the degree on five candidates. Later in the evening, Sis. Pat Merrill, N.G., was presented with the gift of a sandwich tray for the Lodge, as a token of appreciation.

After Lodge, a lovely lunch was served, for which Sis. Pat Merrill thanked the lunch committee, on behalf of all present.

### Mother's Day -- 1969

Next Sunday, May 11th, is Mother's Day, and special services will be held in the various Sunday Schools and Churches of the district in honour of the good mothers of our land.

Fortunately, in these days of rush and bustle, one day of the year has been set aside as "Mother's Day". Let's not forget her — she who did so much for us in our infancy, through our childhood, into our manhood, and who stood by us as long as she was able to do so. Often times her back was bent for us, her health sacrificed for our well-being and her mind and thoughts pained by our ingratitude. Mother has always loved us, even when we did not deserve it.

What can we do on Mother's Day to show our love and appreciation? We may have neglected her for some time. If absent from the old home, we can at least write her a letter or send some gift that will please her. Plan something to show that you think of her on this occasion. Be as loyal a son and daughter as she was a mother.

"Nobody knows the work it makes  
Nobody knows of the steps it takes,  
To keep a house together,  
Nobody knows — but Mother."

### Engagement

Mrs. Isabel Stevens, Stirling, wishes to announce the engagement of her daughter, Carol Ann, to Mr. Gary Wayne Cuthbert, of Oshawa. Marriage to take place August 23rd, 1969. 18-1p

### At Grand Chapter

The following Companions of Keystone Chapter, No. 72: Ex. Comp. Alan A. Foote (Z), Comp. Lindsay Sills (H), Rt. Ex. Comp. G. W. Bailey, Rt. Ex. Comp. Ivan Caldwell, V. Ex. Comp. J. L. Good, Rt. Ex. Comp. Burton Woodbeck, attended the Grand Chapter Convocation of Royal Arch Masons of Canada in the Province of Ontario, at Toronto, on Tuesday, April 29th, 1969. During the proceedings, Rt. Ex. Comp. Angus McDonald, of St. Mark's Chapter, No. 26, Trenton, Ontario, was elected Grand Superintendent of Prince Edward District No. 11. Rt. Ex. Comp. McDonald appointed Ex. Comp. John Birch, of St. Mark's Chapter, as the District Secretary.

### The Whip Lash

Following cards, a business period was the order of the day at Senior Citizens last week. Evelyn Finkle and Margaret Ward supplied the oats for the feed bags and we all nosed in. Pres. Fred thanked the girls and called on Gertrude Belshaw for a financial report.

Gertrude did her stuff, which told us that we were 44 strong and not in the red. In fact, we are quite independent. Look out we don't take another trip soon.

It was agreed that we were all beginning to burst at the seams and from now on we are to have sandwiches or cookies (but not both). To bust more seams, Clifford Cain passed around a large box of chocolates. Thanks, Cliff.

Dis Ole Scribe can recall there being three harness shops at one time in Stirling. Jas. Saries, where the Creamery Office is now and Thos. McKee where the Dairy Bar is located. Then where H. C. Martin's office is, there was one operated by Will Donnan (Mildred Chamber's father). I can recall Mr. Donnan giving me (for free) a brand new whip lash. It was a dandy, and real leather, too. The whip lash is gone, but his kindness still lingers and that is over 70 years ago.

Dis Ole Scribe

### Spring Gospel Sing A Success

As the seats in the Stirling Theatre began to fill, there was an air of expectancy and excitement.

The last time there was a gospel quartet in the theatre, there was a capacity crowd for two nights and this promised to be the same.

The promoter, Bill Griffin, of Campbellford, opened the sing with the audience participating in singing "How Great Thou Art", and prayer.

Many enjoyable numbers were sung by the Grace Chapel Quartet, of Stirling, Calvary Chorus Trio, of Campbellford, and the Mayford Gospel Singers.

The evening was made worthwhile for all by the main group of the evening, The Keystone Quartet of Harrisburg, Pa. They were exceptionally good and did as equally a good job on pieces such as "Papa Sang Bass" as they did on the old favourite hymn "I Come To The Garden Alone".

The keystones are coming back to this area with another professional quartet on October 3rd, so keep your eyes and ears open for the time and place.

Don't forget to get your tickets early as this sing is expected to also be a sellout.

### Completes Hairdressing Course

Miss Judy Bush, daughter of Mr. and Mrs. Glenn Bush, has been successful in obtaining her diploma from the Marvel Hairdressing School, Kingston.

Judy has accepted a position with the Capri Beauty Salon, Belleville.

### With The Swingers

Stirling Swingers have enjoyed another term of square dancing. They have entertained Campbellford and Madoc Clubs and have had several visitors from other clubs throughout the year.

The last dance for the season is to be Monday, May 12th, at the home of Mr. and Mrs. Glen Bennett. It is hoped all club members will attend.

## Hobby Show Interest Unexpectedly High

Entries for the Frankford Hobby Show on May 10 from 2 to 9 p.m., in the Community Hall, are mounting. To date there are 48 exhibitors.

There'll be fun and games for the kiddies from 2 to 5 p.m. Also a drop-in for teens from 9 to 11 p.m.

Donations for the Bazaar Table would be most acceptable. This is all in aid of your Rink Fund.

Everyone is welcome and a very low admission fee has been set.

The exhibits include paintings, ceramics, pottery, rug-hooking, quilting, tatting, embroidery, flower arrangements stamp and coin collections, button collection, wood carving, plus a special feature of the Hobby

Craft Department of Warkworth Institute, who will display work done by the inmate population which includes copper tooling, leather crafts, etc.

The show should be fun as well as interesting and educational.

## Career Days At C.N.I.B.

Pianos, computers and doughnuts have something in common for ten girls and nine boys who are grade eleven students at The Ontario School for the Blind. The blind students attended a three day seminar called "Career Days" at the National Office of The Canadian National Institute for the Blind in Toronto. Two

of the students are from South Eastern Ontario — Arko Ypma of Picton and Deborah Guertin of Ottawa.

"The main idea of the programme is to introduce the blind teenagers to different career opportunities in business, industry, and within CNIB itself," said Boyd Hipfner, Vocational Counsellor with CNIB, and a blind university graduate. "Blind experts in many fields such as physiotherapy, computer programming, law, and social work told about their achievements." Blind people are doing unusual things these days. One panel member operates a doughnut shop. He told the boys about starting their own businesses.

Blind people helping other blind people was the theme of several sessions as CNIB staff members told

about their positions. "CNIB has the same standards as any business and we need qualified blind people" the students were told.

"Career Days" took place at the new CNIB Arthur V. Weir National Training and Vocational Guidance Centre. The building, just open since January, provides accommodation for forty, and class and meeting room facilities to assist blind persons on their way to careers.

When someone says "It isn't the money, it's the principle of the thing," it's the money.

## THE BIBLE TODAY

At the annual meeting of the General Board in Toronto a message from the Canadian Bible Society was sent to all the churches of Canada and reads in part:

"We cherish the conviction that there is hope, for we believe that through Holy Scriptures God is speaking to our age His eternal message of salvation. In every age it is God's Word which has led men to seek truth and freedom, justice and peace. The Gospel is Good news for every man, for the heart of it is love. Where the Scriptures are read and believed the Church is renewed, lives are transformed and society is changed.

"It is because of this deep conviction the Bible Society is committed to the task of providing the Scrip-

tures for every man in his own language at a price which he can afford so that faith and hope and love may triumph over fear, despair and hate. "We would challenge the Churches to become more actively involved in the use and distribution of the Scriptures. We would present this challenge in the words of the Archbishop of York, President of the United Bible Societies:

"The Church must always go on her mission to the world with the Book in her hand . . . It is for us to dare to let the Bible speak to the Church, to the study group to the individual student and then through us to a world as yet largely unaware that it needs its message".

## In Memoriam

**SCEA** — In loving memory of our dear father and grandfather, Mr. Jacob Scea, who passed away May 7, 1962.

Always smiling, happy and content. Loved and respected wherever he went. Time does not darken nor shadows dim. The beautiful memories we have of him.

— Ever remembered by the Scea Family  
18-1p

**TANNER** — In loving memory of a dear mother, Margaret Tanner, who passed away on May 6th, 1966. There's a sad but sweet remembrance. There is a memory fond and true. And a token of affection, Mother, And a heartache still for you.

— Always remembered by daughter, Annie, and son-in-law, Fred.

## CARD OF THANKS

I would like to say "thank you" to my friends, neighbours and relatives for the cards and calls during the time I was in the hospital. A special thanks to Dr. Burrows and Dr. Nelles; also to the nurses on fourth floor. Thanks once again.  
18-1

Dianne Fox

## CARD OF THANKS

More words prove very inadequate to express doubly our sincere gratitude to each and everyone of our immediate relatives, friends and neighbours who have helped us through these days of sorrow during the recent bereavement of our two dear mothers, Mrs. Sarah Eureka Spry, on April 7th, and Mrs. Sarah Mabel Gunning, on April 19th.

The double quota of beautiful floral tributes, expressions of sympathy, lasting tributes to the churches, the church groups who so capably served delicious lunches following the funeral services; for anyone who assisted in any way during the long vigil and helped during the numerous hospital visits.

A special thanks to Dr. Cronk, Dr. Allan, Dr. Derry, nurses in Belleville General Hospital for their utmost care, the Alexander Convalescent Home, Rev. Cox, of Stirling, and Rev. Kennedy, of Tweed for their kind words of comfort; the Mackenzie Funeral Home, of Madoc, and the Bush Funeral Home, in Tweed, for their excellent, efficient services.

For every deed of infinite kindness, we can only say "Thank You" so very much.  
18-1

Carl and Vera Spry

## CARD OF THANKS

We wish to express our sincere thanks to our relatives, friends and neighbours for the many floral tributes, sympathy cards and many acts of kindness in our recent bereavement of a dear granddaughter and niece.  
18-1p

Mr. and Mrs. Harry Geen, and Family

## CARD OF THANKS

I would like to thank the ladies of the Spring Brook Community for all the lovely gifts presented to me at the stork shower last Tuesday evening in the home of Mrs. Reg. McKeown. A special thank-you to Leta and Grace McKeown for all their time and energy in making the evening exciting and one that I shall always remember. Again thank you all for everything. It is greatly appreciated.  
18-1

## FRIENDSHIP

Treasure their friendship now always. Keep trust and your love ever true. Your friends will be there when you need them. They'll cheer you, you'll never be blue.

Keep ever burning the lovelight. As down through the years you may go.

Hold on to that friendship so precious. Than all else on earth that I know.  
—Sandra Beimers.

## Spring Brook U.C.W.

The regular meeting of the Spring Brook United Church Women was held on Thursday, May 1st, in the Church Hall.

The President, Mrs. George Williams opened the meeting with a poem and warmly welcomed all.

The programme was in charge of the Supply and Welfare Committee on the theme "Time", with Mrs. James Spry taking charge of the group. Mrs. Percy Mumby read Ecclesiastes 3rd chapter, verses 1 to 9. Mrs. George Thompson led in prayer. Mrs. Harry Haselett supplied the music.

A reading was given from the paper concerning Dr. McClure coming to Belleville. Mrs. Mort Reid gave the theme on "Time". Mrs. Pearson, President of the Belleville Presbyterian U.C.W., brought greetings and spoke on the coming convention and rally. Mrs. Zufelt gave a talk on Quin-Mo-Lac Camp, of which her husband is administrator, and showed some very interesting and informative pictures on camp life which were enjoyed by all.

The roll call, "What Have I Done For Someone?", was responded to by the members and several visitors. Mrs. Murney Mason, the Treasurer, gave her report and also the minutes in the absence of the Secretary.

The usual business was dealt with.

Mention was made of catering at Hord's Sale on May 5th and also at the bowling banquet in Spring Brook on May 19th. Mrs. Reg. McKeown reported that the Board of Stewards had painted the Church basement walls and floor. An invitation was read from Petherick's U.C.W. for June 11th. The meeting closed with the Benediction.

The hostesses served lunch and a social period was enjoyed.

## Bonarlaw

(Mrs. Arthur Burditt)

Mrs. Simon Matthews and Ross Matthews visited Mr. and Mrs. Denton Burditt at Brockville.

Springbrook W.I. held their annual meeting at the home of Mrs. George Williams on Wednesday afternoon.

Mr. Wm. Neal has disposed of his farm and is erecting a new home on the 12th Con. of Bonarlaw.

Mr. and Mrs. Ross Dickie were supper guests with Mr. and Mrs. A. Burditt on Friday.

Several families from this vicinity attended the bowling banquet at Madoc on Friday evening.

Mr. Bud Heath, Rochester, and Mrs. Don Case, Kingston, spent the week end with Mr. and Mrs. Everett Heath.

Mrs. Claude Reid, St. Thomas, and Mr. and Mrs. Gordon McLellan, Sandra and Kenneth, formerly of Toronto, called on Mr. and Mrs. A. Burditt on Sunday evening enroute to their new home in Ottawa.

**Birthday Party**  
Mrs. Don Case, Kingston, was hostess for a birthday party in honour of her mother, Mrs. Everett Heath, Bonarlaw, at the home of Mrs. Heath, on Saturday afternoon, May 3rd, who was celebrating her 80th birthday.

Mrs. Case was assisted by Mrs. Jas. Heath, Mrs. Carl Heath and Mrs. Murray Heath. Among the guests present were two nieces, Mrs. George, of Rochester, Mrs. O. Krafka, Trenton, and a son, Bud Heath, Rochester; also friends from Stirling, Minto, Rylstone, Hastings, Lindsay and Bonarlaw.

A beautiful birthday cake graced the dining room table. Mrs. Heath occupied the seat of honour and received several gifts. Several pictures were taken of Mrs. Heath during the afternoon.

Mrs. Heath was born at Bonarlaw, later living in Marmora. She is the daughter to the late Mr. and Mrs. Tom Neal. Mr. and Mrs. Heath will celebrate their 60th wedding anniversary on August 25th. They are retired and are living at Bonarlaw and are members of St. Mark's Anglican Church. Mrs. Heath is a valued member of the A.C.W. and W.I.

Mrs. A. V. Brown poured tea and a lovely lunch was enjoyed with the birthday cake being served. "Happy Birthday" was sung, with Mrs. Lindsay Tanner at the piano. At the close of the celebration, all joined in singing "Till We Meet", with Mrs. Jas. Heath as accompanist.

If there is anything harder than breaking a bad habit, it's trying to refrain from telling people how you did it.

## I.O.D.E. 69 Yrs. Old

The I.O.D.E. (Imperial Order Daughters of the Empire) this year is in its 70th year.

The I.O.D.E. is a Canadian women's organization, which helps to contribute to the unity of Canada, and to the betterment of mankind. It is comprised of over 25,000 dedicated and enthusiastic women. This National organization raises and disburses annually a \$1,000,000 for education, emergency and disaster relief.

Over \$350,000 was spent on education, and it is interesting to note that this figure increases considerably each year.

Canadian schools receiving I.O.D.E. aid is an impressive 1,950.

All of the schools in the Northwest Territories receive substantial aid from the I.O.D.E. In order to combat the high drop-out rate in all of the eight secondary schools, serving Eskimos and Indian pupils in the Northwest Territories, "Incentive Awards" are given to encourage the students to return to school to complete their courses.

The Canadian arts continue to be supported financially and include the National Ballet, National Theatre School of Canada and the National Youth Orchestra.

Increased Membership

It is encouraging to note the continued increase of membership in the Junior Chapters. The members have stocked a Dominica Bookmobile with over 4,000 books. Recently Junior Chapters have acquired a new project called "Operation Suruskuluit" meaning "dear little people." Educational toys and supplies will be sent to all pre-school classes in the Northwest Territories.

I.O.D.E. assistance has expanded to include schools of nursing, art, music, teacher training, ballet, theatre, and to community colleges, schools of technology and design.

The work of the Commonwealth Relations Department is done mainly in education. This year two undergraduate students are studying medicine at Indian Medical Colleges. One student from Barbados is taking a post-graduate course in Canada.

### Memorial Funds

Approximately \$60,000 was awarded from I.O.D.E. First and Second War Memorial Funds to provide post-graduate scholarships of \$3,000 each (for study in Canada) and \$5,000 each (for overseas study).

In the field of service over half a million dollars annually is spent at home and abroad \$372,000 was spent in Canada and \$170,000 overseas.

The I.O.D.E. continues to provide furnishings and equipment to assist such groups as the blind, handicapped and aged. Donations to institutions include colour TV, babies' cribs, hospital kitchen equipment, outfitting of a research laboratory, washing machines and hair dryers, heart monitors, hospital playroom, an organ and piano.

### Clothing For Needy

Practical, yet attractive clothing, is made in quantity for distribution both in Canada and abroad. In the past 711 cases with clothes for the needy were shipped.

Recently a donation of \$1,000 from the National Chapter was sent to Dr. Elizabeth Cass to help institute a feasibility study re the possibility of the establishing of an Eye Research in the Northwest Territories.

### Friendship Centres

The work with the native Indian and the Metis people continues to expand. Close contact is maintained with the Friendship Centres. Food clothing, game, musical instruments and furnishings are provided for their use.

The I.O.D.E. continues to be a strong and progressive organization.

It presents a challenge to its dedicated members, and provides a satisfying outlet for their enthusiasm and willingness to serve wherever needed.

## Leslie Frost To Be Honoured

PETERBOROUGH — A tribute is planned June 14th for Leslie M. Frost, former Ontario premier and present chancellor of Trent University. Mayor Joseph Cumrik announced recently.

Representatives from Haliburton, Victoria, Peterborough, Northumberland and Durham, Hastings and Prince Edward counties will participate in the program that includes a garden party.

Mr. Frost, a native of Lindsay, Ont., was elected to the legislature in 1937 and remained in office for 26 years retiring in 1961. He was premier from 1949 to 1961.

A large number from Prince Edward County are expected to attend to join in the tribute. Mr. Frost has always had a warm interest in this historic county.

It is expected that around four thousand people will attend.

The garden party is on the Nassau Campus of Trent University, Saturday, June 14 from 2 to 5 p.m.

From subscriptions received from persons invited from the seven counties as guests at the Garden Party, there will be established the Hon. Leslie M. Frost Fund, for a purpose to be designated by Mr. Frost.

## THE GOOD DRIVER

Emergencies, big and small are easier to handle if you are prepared for the possibility. Both mental and material preparedness are required.

Many careful drivers carry a first aid kit in the car. It is particularly recommended by the Ontario Safety League for parents who take children on camping and picnic trips.

The National Safety Council points out that a first aid kit can help you in many ways, besides patching up personal injuries. Here are some of the possibilities. If the need arises, your imagination can suggest others.

Adhesive tape can be used to make temporary repairs. A roll of gauze makes a handy substitute for string or rope to tie something down. Greasy salves or ointment lend themselves nicely to emergency lubrication.

Rubbing alcohol makes good start or fuel for a signal fire. You can use iodine or other antiseptic to write an emergency message if your ballpoint is back home in your suit jacket.

Ordinary baking soda often intended for insect bites can neutralize battery acid on skin and clothing. It's also helpful when used to snuff out a small fire, although a very poor substitute for an approved fire extinguisher.

More convention emergency equipment may include these items:

Red triangle reflector, or flares, Trouble light with extension cord, Spare fan belt, Spare wiper blade, a pair of battery starter cables, tow rope or chain, Tools, Paper towels, Fuses.

And there are the many special items of equipment that should be carried in winter . . . but let's not talk about that for a few months.

Young Man: "I'd like to marry your daughter."

Father: "Have you seen my wife yet?"

Young Man: "I have — but I prefer your daughter."

#### Rylstone W.I.

Rylstone W.I. met at the Institute Hall on Thursday afternoon May 1st for their regular May meeting. There was an attendance of 12 members and three visitors.

Following the Institute Ode and Creed, the roll call was answered by a donation of plants and flower slips, which were later exchanged at the close of the meeting.

It was decided to enter the project at Campbellford Agricultural Fair in August, with Mrs. Carl Reid and Mrs. Margaret Osborne to be responsible for the floral items.

A prize will be donated for a floral exhibit at the Fair also.

A round of applause was tendered Mrs. Ernest Irwin in honour of her coming 51st wedding anniversary.

Arrangements were made to hire someone to keep the grass cut at the Institute's Barnum Memorial Park.

As the convenor for the Grandmothers' Meeting was unable to be present, the programme was convened by Mrs. E. L. Anderson, president.

Mrs. Don Kerr gave the topic, entitled, "With All Our Eagerness to See the Future, We Fall Sadly in Our Preparation For It". She also read a poem, "Youth and Age".

Mrs. Stanley Kerr gave the motto, "Be Kind To The Aged, Your Turn Will Come".

There were ten grandmothers present. They were presented with pansy plants by Mrs. Ernest Rowe, first vice-president, who also awarded prizes to four special grandmothers, who had to meet certain qualifications. The winners were Mrs. Murray Melkjohn, Mrs. Ernest Irwin, Mrs. Carl Reid and Mrs. Stanley Kerr.

Mrs. Carleton Rowe extended an invitation to the Institute members to attend a missionary meeting in Stanwood United Church, as guests of the U.C.W. on the evening of May 21st.

Mrs. Ernie Rowe then conducted a contest on "Things Our Grandmothers Missed", and the meeting closed with the singing of "God Save the Queen". Lunch was served by the hostesses, Mrs. Margaret Osborne and Mrs. Percy Reid.

Mrs. Ernest Irwin and Mrs. Ellis Jones are delegates to the North Hastings District Annual Meeting, to be held at Cooper on Wednesday, May 21st.

#### County TB and RD Association Holds Meeting

The regular monthly meeting of the members of the management committee of the Hastings County Tuberculosis and Respiratory Disease Association was held recently with the president, Ronald L. Lee, as chairman.

In business arising from the minutes, the secretary reported that one of the reference books on Respiratory Diseases for the Reference Library at the Belleville General Hospital had come to hand and has been delivered. One book which was ordered is now out of print and a replacement will be selected. Also, two monthly journals on respiratory diseases have been ordered and will be forthcoming in due time. A brochure concerning a course available to students as Inhalation Therapists, for which the Association will offer a bursary of \$500, each year, has been printed and is being delivered to Guidance Teachers in Hastings County.

A letter of thanks was read for the sponsorship by the Association for an Advanced Course in Mycology at the Toronto Institute of Medical Technology. The chairman read a letter from the president of the Ontario TB and RD Association acknowledging a donation received from the association of \$2,000 toward their expenditure for this year of \$100,000, in support of respiratory units located in the medical schools throughout the province and the research being done there. This donation is additional to the amount each local association gives regularly each year toward research. Also a letter of thanks and a certificate of appreciation had been received from the Belleville General Hospital for the cheque sent to them in the amount of \$4,000, to be used for the purchase of a pulmonary function complex, such as a pulmonette. A further cheque was acknowledged by them in payment of a respirator purchased for use in the hospital.

Assistance to two patients was voted by the members, one with a respiratory disease and the other a home drug patient with tuberculosis. Health education seems to be the story of present times. An influx of requests has been received at the office from teachers and also from students with a project to complete. The association is always pleased to comply with any such requests for information, pamphlets and films.

The chairman of the respiratory program committee, Mrs. Winnifred Donaldson, reported that two programs recently carried out in Perth and Wellington Counties with asthmatic children has been put into printed form and has been distributed to doctors and others in Hastings County. Their comments were asked for with a view of starting a similar program in this county, but no response has been received as yet.

A tentative date of June 4, 1969, has been set for the annual meeting

of the Association but as this date seemed to conflict with too many other commitments, a date of June 18 was suggested. It is hoped that Dr. Colin Woolf, Director of the Respiratory Research Laboratory of the Toronto General Hospital will be the guest speaker for the meeting. The

chairmen of the various committees were given a deadline to present their annual reports to be compiled in a printed booklet form for the annual meeting. Other matters pertaining to this meeting were discussed and will be finalized at the next monthly meeting.

## SOME VITAL FACTS FOR VACATIONERS AND FOREST USERS

A new FOREST FIRES PREVENTION ACT 1968 AND REGULATIONS came into effect on April 1, 1969.

Several significant provisions are incorporated under this Act to protect Ontario's forests from fire and, at the same time, allow greater freedom of forest travel.

One important revision affects the Forest Travel Permit System, whereby Forest Travel Permits are now required only during very high fire danger periods when travel must be controlled for safety.

#### RESTRICTED ZONE

The Act provides for the Minister of Lands and Forests to declare an area a Restricted Fire Zone and/or Restricted Travel Zone.

Restricted zones will be imposed only when the fire danger rating is such that it is unsafe for people to travel or set camp fires in the forest. As soon as the danger period is over, the restricted zones will be lifted.

When a RESTRICTED FIRE ZONE is imposed, the forest user will not be allowed to start an open fire, but will be free to use a portable stove or charcoal for cooking or obtaining warmth.

When a RESTRICTED TRAVEL ZONE is imposed, travel in the forest may be permitted only under authority of a Forest Travel Permit issued by a forest officer.

#### CAMP FIRES

Campfires are permitted in a fire district for the purposes of cooking or obtaining warmth unless prohibited under a RESTRICTED FIRE ZONE.

By regulation, camp fires must be built on a site that is bare rock or mineral soil free from flammable material, with an area of at least three feet in width immediately outside the edge of the fire cleared to bare rock or mineral soil and cleared of flammable material.

#### SMOKING

The Act provides for the control of smoking.

SECTION 27 — "No person shall smoke while WALKING or WORKING in the forest or woodland during the fire season."

This practice is followed by woods workers and experienced woods travellers. Careless "smokers" are responsible for more fires than from any other cause. They destroy valuable forests belonging to the people of Ontario.

For further information regarding the Forest Fires Prevention Act, contact your nearest Lands and Forests Office.

### STIRLING HORTICULTURAL SOCIETY

Mrs. M. Wrightman has kindly invited us to her home, at R.R. 3, Stirling, on Monday, May 12th, at 2 p.m. Also, we are sponsoring a bus trip to view Gardens and Greenhouses in Toronto, Thursday, May 15th.

### LIBRARY CORNER

Listed are some titles on the shelves at the Stirling Public Library; a busy place these days as end of term essays and seminars are being completed by the students.

"Richer Than All His Tribe", by Nicholas Monsarrat. An intriguing novel, set on an island off southwest Africa, portraying the evolution of an emergent African nation. The scathing modern successor to "The Tribe That Lost Its Head".

"Fishing Made Easy", by Arthur J. Cone, Jr., a prize catch of a book for fresh and saltwater fishermen.

"A Small Town in Germany", by John LeCarre, author of "The Spy That Came In From The Cold". International intrigue at its best.

"With Love and Elbow Grease", by E. L. Browning. A guide to antiquing, decorating and finishing practically anything!

"Song of the Young Sentry", by David Westheimer. A novel about allied prisoners in World War II. By the author of "My Sweet Charlie" and "Von Ryan's Express".

Judy LaMarsh's book, "Bird In A Gilded Cage", excitingly contemporary; Han Suyin's "Birdless Summer", one of three books now written by her about China's history; "The Naked Ape"; "Song of the Sirens", by Ernest Gann; "The Money Game", by Adam Smith; and many other titles by some excellent authors all await your perusal.

Please watch your film catalogues for the May-June shipments, since many good films are being missed by some members.

The following titles for younger readers are on the move constantly, as well as many more not listed here.

"The Pool of Fire", by John Christopher, is an exciting science-fiction story, exploring the possibilities the future holds for human beings, if intelligent life from another planet were to conquer the world we now know.

For younger science-fiction fans,

## Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

### Question:

Dear Mr. Martin: Has anybody figured out how much it costs the average family to live these days? In my own case it seems to be getting tougher each year, especially when my salary can't seem to keep up with the rising cost of living.

### Answer:

Mr. A. G. — No magic. Just statistics. Actually, the U.S. Department of Labor recently issued a model budget which says it would cost an urban family of four \$9,075 to maintain a "moderate" standard of living. It actually cost this "model" family \$7,231 for such consumptive items as food, housing, clothing, transportation, personal care, medical care and recreation. Food amounted to about 24% of the total outgo while housing in the moderate budget accounted for almost the same percent. Clothing, personal care and personal taxes combined for 22% of the \$9,075. Specifically, the "moderate" budget revealed that this model family spent \$2,105 on food, \$2,230 in shelter, including heat and utilities and \$845 in clothing and personal care. Personal taxes, incidentally, accounted for \$1,062 of their total income. You've also probably heard that it's cheaper to live in one area than it is in another. According to the Bureau of Labor Statistics, which prepared this survey, of 39 urban areas in the United States, the cheapest area was Austin, Texas, with a budget of \$7,952 for a moderate standard of living. The highest recorded was Honolulu where the moderate standard was raised to \$10,902. Generally, living costs were much lower in small cities in the South than in metropolitan areas, averaging about \$8,380. It probably comes as no great shock that the cost of living is much higher in New York than in any other metropolitan area. The moderate income levelled off at \$9,977 there, not a great deal more than the national average, but considerably more than in Austin, Texas. What this all means Mr. A. G., is that you can take these figures and compare them against your expenses for the items mentioned in this column. That is, if your income is around what the U.S. Labor Department suggests are "benchmarks" for a family of four, to live moderately well. There are a lot of variances of course, from one family to the next, from one area to the

next, but these figures should help anyone determine approximately what they should be spending on the necessities.

## REPORT

Attention Motorcycle operators! Now that spring is here, you'll be getting your bike ready for use in the good weather ahead. Make sure your motorcycle is in good repair. Remember . . . control. Performance and Reliability are affected by good maintenance. Make sure you always wear your safety helmet . . . Don't forget it's required by law. Also, make sure you know the rules of the road. They're in the driver's handbook, available from the Ontario Department of Transport.

### Children In The Rain

Motorists! Now that spring is officially here, this means we'll be having many rainy days. On these rainy days, be watchful for children. Remember . . . It's harder for them to see you. It's also harder for you to stop on the wet pavement if a child suddenly darts out in front of you. Please take it easy on rainy days . . . watch for children . . . and remember that children won't always remember to watch for you.

During the week of April 20th to 27th, 1969 officers of the Madoc Detachment, Ontario Provincial Police investigated 4 motor vehicle accidents, all of a property damage nature.

Homemaking Clubs  
Achievement Day**Saturday, April 26th the 4-H Home-  
making Club Achievement Day was  
held for 81 girls in Centre Hastings  
Secondary School, Madoc. The girls  
have just completed the project  
"Needlecraft" in which they have  
studied Colours and Colour Schemes  
and learned seven basic embroidery  
stitches and how to apply them to  
various articles. The clubs taking  
part were Bannockburn, Chapman,  
Chums, Cooper-Remington, Crookston,  
Swinging Stitches, Eldorado Chain  
Gang, Harold Chain Gang, Harts  
Riggs Homemakers, Ivanhoe Steady  
Stitches, Queensboro 1, and Queens-  
boro 2 Lazy Dazi.The girls registered by 9:45 and  
spent the morning taking part in  
various activities such as Judging a  
set of Table Runners, Planning a  
Wall-Hanging and practising 3 of the  
basic embroidery stitches.Several visitors arrived for the  
afternoon part of the program and  
enjoyed looking at the Record Books  
and embroidered articles that the  
girls had on display.The Cooper-Remington club start-  
ed the afternoon activities by pre-  
sented a demonstration, Colour  
Schemes in Embroidery. All mem-  
bers took part. Next the Harold  
Chain gang put on a demonstration,  
"Let's Get Ready to Embroider" with  
Gayle Hoover and Mary Atkins taking  
part. The first exhibit of the after-  
noon was given by the Eldorado  
Chain Gang entitled "Seven Basic  
Embroidery Stitches" and Nancy  
Blackburn gave the comments. All  
members of the Harts-Riggs Home-  
makers gave a skit entitled "The  
New Look in Embroidery" and then  
Marlene Preston of the Crookston  
Swinging Stitches gave comments on  
their exhibit "Colour Schemes With  
Harmony". Next a demonstration en-  
titled "Design — From Idea to Fab-

cial Honour Certificate and Pin.  
Olive received this award for the  
completion of the 12th 4-H Home-  
making Club project. Then Miss  
Mary MacEachern, Home Economist  
with the Ontario Department of Agri-  
culture and Food presented Mrs. Pollock of Ivanhoe  
with a 6-year Leader's Certifi-  
cate. Congratulations and many  
thanks to Mrs. Pollock in her excel-  
lent and faithful leadership with the  
Ivanhoe club.After a 10-minute break in the  
program, Margaret Kerby of the  
Ivanhoe Steady Stitches gave com-  
ments on the exhibit "The Sampler  
of Great Grandmother's Day". This  
was followed with Jeannie Sexsmith  
giving comments for the Queensboro  
1 club on their exhibit "Embroider  
Your Own Design". Then a skit by  
the girls from Queensboro 2 Lazy  
Dazi entitled "Add a Stitch of Col-  
our" and ending with Ena Armstrong  
of Bannockburn giving comments on  
their exhibit "Embroidery Yester-  
day and To-day".Mrs. Phyllis James visiting Home  
Economist, gave a few comments on  
each exhibit, demonstration and skit.Mrs. Warren Hill then presented  
County Honour Certificates and pins  
to all girls completing their sixth  
project. These girls were:Joan Johnston — Chapman

### Whitehead's Changes Hands

Whitehead's Restaurant, a household name in Stirling since 1927, came to the end of an era last week when Mr. Glen Whitehead sold the business and block to Mr. John Georgiou, of Trenton.

Glen's father, the late J. S. Whitehead, purchased the business from Tom Cranston in 1927. Glen bought the business in 1958 and has operated it ever since.

The News-Argus joins in wishing John and Marilyn Georgiou much success in Stirling.

Glen Whitehead is now Assistant Administrator at Hastings County Manor, Belleville.

### Tennis Club Sets Rates

At a meeting of the Tennis Club on May 6th, it was decided that a membership will cost \$2.00 up to 18 years of age and \$5.00 for adults. Non-members may play for 25c per person.

For further information, interested persons should contact either David Short, 395-2132, or Mike Finnegan, at 395-2660.

### Retirement Dinner For W. Nix Flindall

A very pleasant social affair was recently held at the Red Lion, Trenton, in honour of Mr. W. Nix Flindall, who recently retired, from Stirling Public Utilities.

The members of the Utilities and their wives and Mr. and Mrs. Flindall enjoyed dinner, followed by remarks by Miss Rosa Spry, Mr. D. Rodgers, Mr. H. C. Bird, Mr. Harry Cooke, Mr. Herb. Cox, of Ontario Hydro, and a presentation of garden turnip, by Mr. Bob Hatton, on behalf of the Utilities.

Mr. and Mrs. Flindall expressed their appreciation, and cordially invited all to visit them at their Brighton home.

### LEGION NOTES

The Annual Canadian Legion Convention, District F, was held over the week end of May 19th and 20th, at Trenton.

Attending from Stirling were: Cdes. W. deJong, Faulkner, Finkle, Glendinning, Kosmack and Bastedo.

Our Zone Commander Earl Brant was honoured by being elected to serve as District Vice-President for one year.

Also honoured was our own Cde. R. J. A. Bastedo, who was officially installed as Deputy Zone Commander, Zone F3.

Cde. Bastedo has been Branch Secretary for more years than some of us care to think on, and has been a real "mainstay" (how's that, Navy?) of the Branch.

The new District Commander, succeeding Gerald Simpson, of Brighton, is Eric Hogg, of Peterborough. Earl Bronson, of Peterborough, was re-elected District Sports Officer.

During the two-day meeting, 14 resolutions concerning veteran welfare were presented to the executive for approval, and a Church Parade of over 200 Legion members to the Cenotaph at Bayshore Park was held. Provincial Vice-President Don Wilson placed the wreath.

The next District Convention will be held in Haliburton.

The Biennial Convention of the Legion Provincial Command is all set for May 25-29, 1969, at Cornwall, Ont. Official delegates from Stirling Branch are President W. deJong and Secretary Bert Bastedo.

Operation Grounds Clean-Up is slated for the evening of Wednesday, May 14th. Volunteers will parade at the local Hall at 7:30 p.m., with spades and rakes at the slope. This party (working) is open to all members.

Lastly, Comrades, mark down the following: Saturday, May 31st. Members and Wives Social; Pot-Luck Supper, Bingo, Dancing. Cards, Darts — You name it. Do I have to tell you to remember this one, huh?

### "At Home"

Mr. and Mrs. Herman Vardy will be at home to their relatives, friends and neighbours at their home, 161 Front St. W., Stirling, on Saturday, May 31st, from 2 to 4 in the afternoon, and from 7 to 9 in the evening, on the occasion of their 50th Wedding Anniversary.

### Little Guy

A nice lunch of fruit bread and cheese, along with tea or coffee, was served the Senior Citizens last week by Fanny Kane and Lillian Heasman.

Birthdays greetings were sung for Fred McDonnell. Fred did not divulge his age, but he is still going strong.

A noisy and boisterous game of dominoes interrupted the card players. Walter Hagerman seemed to have trouble in getting his ends to match. He landed up so far in the hole that he hasn't been seen since. Otherwise there were no casualties.

Do you know that our first Fair Ground was north of the tracks and east of William Street, a field now owned by Norman Ray? The second site was north of the tracks and east of the Campbellford Road, now a part of Claude Tucker's farm. It was on this track that Lady Hamburg, a fast and winning horse for years, was beaten by Little Guy, a trotter, who was owned by Floyd Armstrong's father. That was a big day for us kids, for Little Guy was a favourite. Later he was sold to a wealthy stable in Montreal for \$1900, where he excelled in ice racing. This site was, after several years, changed to its present location.

### Allan Morton Receives Instructor's License

Allan Morton, of town, has been issued an instructor's license by the Department of Transport, Ottawa, following a course taken, in theory and flight instruction, at Central Airways, Toronto, and Prince Edward Flying Club, Picton.

Allan is now employed as instructor at Oak Hills Flying Club, Stirling.

### Men's Jogging Club To Be Formed

A men's Jogging Club is being formed in Stirling and will be open to all ages. It will be held at the Stirling Intermediate School every Monday and Friday from 11:05 a.m. to 12:00 noon.

Any men interested please report to the school this Friday at 11:05 a.m.

### Local Residents In Hospital

Local residents who are patients in Belleville General Hospital include Mrs. Orrie Seeley, Harold Morgan and David Faulkner, son of Mr. and Mrs. Maurice Faulkner.

Mrs. Cliff Short, Petawawa, and a former resident, was admitted to the Belleville Hospital today (Wednesday) and will undergo surgery.

## Stirling Public School Band Ready To Play First Public Concert

When the former Stirling High School was closed last year, the Stirling-Rawdon High School Band, which was organized and trained by Mr. Maurice Bell since 1959, also ceased to operate.

Fortunately for the Village, Principal George Patton is a musician and having played in school bands himself, saw the need for instrumental music in the schools. He at once started negotiations for a band in the Public School and, with the help of Mr. Tate, Area Superintendent, and the local School Board Representatives, he received permission from the School Board to engage Mr. Bell to organize, train and direct a Public School Band. Mr. Bell has had a great amount of experience in band work, having trained and conducted an almost unbroken series of bands in Stirling since 1936. He has also been leader of the Warkworth Community Band for the past 19 years; leader of the Trenton Lion's Club Band for several years and bandmaster of the Hastings & Prince Edward Regimental Band during the war years.

Accordingly, last October about 100 boys and girls volunteered to make up a band and, with the help of Mrs. Watson, vocal music teacher at the school and Mr. Patton, a group of 60 were picked by Mr. Bell, with first consideration being their ability in the school choir and their past record of stability at things attempted. Permission was then given by the municipality for the use of the former band instruments; some horns were loaned by citizens and a few are owned personally by students. The instruments were then allotted to the size of the horn, the stature of the student and, as far as possible, the instrument the student wished to play.

The band is composed of 33 girls and 27 boys — 17 from Grade 5; 22 from Grade 6; 11 from Grade 7; 8 from Grade 8.

The following instruments were distributed to the following students: Flute — Linda Tuimman. Clarinet — June Watson, Tom Bryant, Bill McCarton, Chris Myers, Paul Munro, Judy Meeks, Tammy Lawrence, Pauline Maxwell, Donna Elliott, Linda Rainie.

Trumpets — Dick West, Jerry Bryant, Doug Couch, Sharilyn Farrell, Shelly Farrell, Louise Williams, Elaine Williams, Bruce Weatherell, Robin Linn, Marilyn Morton, Sandra Alderson, Margaret Ann Kerby.

Cornets — Mary Ellen Thompson, Barbara Clarke, Tim Whiteman, David Graff.

French Horn — Marie Kerby, Mary Alice Bissell, Debbie Montgomery, Rhonda Myers, Denise Aude.

Trombones — Beverley Bush, Janice Morton, Lee Anne Stapley, Kathy Sharpe, Jim Forestell.

Tenor Horn — Wendy Hearn.

Baritone — Donna Aude, Larry Forestell, Steven Philp.

Basses — Allen Milligan, Phillip LaChapelle, David Robson.

Drums — Karen Meeks, Doreen Morton, Stan Myers, Eddie Thompson, Kenneth Sharpe, Lyn Merrill, Randy Ray, Robert Jones, Doug Bastedo, Paul Svoboda, Terry Wilson, Arthur Tuimman.

Using the most modern method of instruction, the books are so arranged that the band is able to have a full band rehearsal the same day the students take their first lesson.

Starting December 2nd, each student has received 20 lessons, either individually or in a group, and attended 20 full band practices. Attendance has been 98 per cent of the total possible and 18 students have a perfect attendance record.

The band music programme at the school has been so arranged that those coming by bus can participate as easily as those from the Village, many of whom receive their instruction after school. The school hour classes are conducted on a rotating basis so that a student only misses the same class once every nine weeks.

The band will make its first public appearance in conjunction with a Fashion and Variety Show to be put on in the Stirling Theatre on the evening of Tuesday, May 20th.

## STIRLING'S MILL RATE SUFFERS ANOTHER HIKE OF 8.8 MILLS

In spite of an all out effort by the Village Council, the members found it necessary to approve a by-law setting the 1969 rate at 119.1 mills for Residential and Farm users and 131.3 mills for Commercial ratepayers.

This results in an increase of approximately 30 mills in two years, even though the village rate is held exactly the same as last year at 45.1 mills Residential and 52.5 Commercial.

This year's increases resulted from the much publicized increase in school rates (approximately 7 mills) and a 3 mill increase in the County rate.

In line with the concern of Council about the increased cost to fixed-income residents, Council moved this week to hold the local rate, without any increase by augmenting some administrative changes.

At a special meeting of Council, it was agreed to switch to policing by

Ontario Provincial Police, which service is rendered at no cost to Village ratepayers. Although Chief Hicks has rendered yeoman service on behalf of the Village, Council was of the opinion some sections of the community may have to forego a bit of the personal police services received in the past in order to defray increased costs to others.

The resolution of Council states that due to increasing costs, beyond the control of the local Council, all reasonable measures must be pursued to hold taxes to the lowest possible level. Council will probably need to also take a close look at other costly services to keep the budget balanced this year.

This move to O.P.P. policing is similar to the policy pursued by other Hastings County municipalities in recent years to relieve themselves of direct policing costs, namely Bancroft, Madoc and Marmora.

## Do You Remember?

— TWENTY-FIVE YEARS AGO —

ISSUE MAY 11th 1944

Mr. and Mrs. Jack McCaughen, members of Claire Wyatt's "Treat Valley Ramblers" are receiving the congratulations of their many friends this week on their fine performance on the air over CHEX Peterboro on Saturday evening, on a programme sponsored by R. A. Patterson, local gent's furnisher, and the Bata Shoe Co., of Batawa, in addition to their participation in the orchestra numbers, each contributed a solo. Arthur Duncan, Batawa, was announcer for the programme.

Messrs. Douglas Patterson and Jeri Bastedo spent Monday in Kingston, where they enlisted in the Royal Canadian Navy.  
Mount Pleasant  
Several from Mount Pleasant attended the funeral of Mrs. Sanford Hubble, Sidney, Township, on Monday.

Some types of cats do not sleep all day and some people sleep all night and some people get away with it but some people can't. If you think you can be like a cat and go on a week, you will wind up in the dog house.

## Cats and People

Cats and people are funny animals. Cats have four paws and one paw. People have four fathers but only one mother. When a cat smells a rat he gets excited; so do people. Cats carry tails and lots of people carry tails too. All cats have fur coats. Some people have fur coats, and the ones that don't say catty things a-

## Madoc to Marmora Road To Be Paved

A construction start by May 20 is expected on the Marmora - Madoc stretch of Highway 7 to be completely rebuilt and brought up to Trans Canada Highway standards.  
Clarke T. Rollins, MPP for Hastings said this week that Peel Construction Ltd. of Brampton has been awarded the contract for grading,

drainage, base and hot mix paving. The amount of the contract is for \$150,000.  
Total cost of the work, including engineering and other sundry construction is in the area of \$2,150,000.  
The contract calls for the work to be completed by the end of July 1970. Any grading operations not completed by the end of the current construction season will be covered with a course of asphalt pavement so the public will not be required to drive over a gravel surface this coming winter.

**Presbyterian Women**

The May meeting of the St. Andrew's Presbyterian Women began in a different form. The ladies gathered at 10 a.m. to give the basement of the church a housecleaning, then at 12 o'clock sat down to a most delicious pot luck dinner.

At 2 p.m. Mrs. Don Fargy, president, called the gathering to order and giving a brief reading, consisting of guides for things we should all do, followed with prayer.

The minutes read by the secretary, Mrs. K. Tompkins were approved. She also read the correspondence. Mrs. Fargy reported the sale at Hoard's June 2; Spring Rally at West Huntingdon June 4, and a bus trip to Toronto leaving Trenton 7.30 a.m. on May 29 to visit Church offices, Knox and Ewart Colleges.

Miss Gena Spry gave treasurer's report. The roll call, a Bible verse containing the word "Promise" was answered by 14 members. Mrs. J. Johnston gathered the offering which was dedicated by Mrs. Fargy. Mrs. Fargy read some excerpts from Glad Tidings.

Mrs. George Haggerty took charge of the meeting at this time. The hymn, Come let us sing of a wonderful love was sung with Mrs. G. Matthews as musician.

Mrs. E. Fox read from the Bible 1 Corinthians, Chapter 13 and Mrs. MacPherson offered prayer. Mrs. Roy Eggleton gave readings one on Christian home closing and one on Mother's Day. Mrs. George Haggerty gave a reading "A Housewife's Prayer", then continued to give a paper using

as the theme, "Promise and Love", quoting John 3:16, it having been a promise to us with so much love involved. She discussed love in so many ways, also asked if we appreciate our wealth, peace and love. She stressed the extreme measures of motherly love, this kind of love only could be given to us by God. Love has all good qualities, is eternal, brings so much happiness and influences so many people. Mrs. Haggerty also stressed another scripture, "Love Thy neighbour as thyself", and suggested that one should never let bitterness control them. Other ladies gave comments on effects of love. Mrs. Haggerty closed with a poem, "Life's Perennial Garden."

The hymn "More love to Thee, O Christ," was sung, followed by all repeating the Mizpah Benediction.

Mrs. MacPherson thanked everyone helping during the day. Mrs. W. Rodgers conducted a contest. Refreshments were served.

**Letter To The Editor**

Dear Sir:

It has been brought to my attention that I have not explained the Variety Show properly nor have I asked all children of Stirling and area.

For this I apologize most humbly. It was not intentional. The talent is voluntary; also the work behind it. There is no competing. The achievement will be the same for everyone. I'm not sure many children remember the old Christmas concerts we had some years ago. We hope to base this show on this floor. I hope it will be an enjoyment for the children to do and for the parents to watch. There is some talent in everyone, if we give it a shove.

Any boy or girl who likes to sing, dance, or act like a clown is needed. Sorry though, no "adult actors".

On June 4th and 5th the show will go on with several N.H.L. players as special guests. The proceeds will go for Minor Hockey.

We are going to have an all out practice on the evening of Wednesday, May 14th, from 7 p.m. to 9 p.m., at the Stirling Theatre, downstairs, with full and fine co-operation of the caretaker.

I'm sure many boys and girls in the Stirling area can provide a show that will not only rock the pride of Stirling but make many small communities sit up and take notice.

Yours truly,  
A Hopeful Volunteer  
Hockey Mother

Two Die In  
Highway Tragedy

Two men were killed and three boys seriously injured in a two-car crash about one mile north of Belleville, on Highway 14, early Saturday morning.

Dead are 24-year-old Robert Earl Bradshaw, of R.R. 6, Belleville, and Ralph Demorest, in his late 30's, of R.R. 2, Stirling.

Mr. Demorest's three sons suffered head injuries. Most serious is 10-year-old Richard, taken to Kingston General Hospital. He was reported in critical condition.

Rodney, 13, and Randy Demorest, 15, are in the intensive care unit at Belleville General Hospital.

The accident occurred about 12:30 a.m. on a straight stretch of Highway 14 just north of Ontario Provincial Police headquarters in Belleville. Mr. Demorest had taken his three sons to a movie in the city and they were returning home at the time of the accident.

Both cars were almost completely demolished by the force of the im-

pact with their front ends and left sides torn to shreds.

The Bradshaw auto had its frame broken in two and had to be dragged rather than towed to the garage wrecking lot.

Shortly after the accident occurred, a third car, driven by James Franklin Lang, 24, of Belleville, piled into the two cars already involved in the accident.

Lang and a passenger, Archie Kirkwood, 27, also of Belleville, were treated for minor injuries at Belleville General Hospital and released.

Mr. Bradshaw was born in Cobourg, the son of Mr. and Mrs. Malcolm Harvey Bradshaw. He resided at R.R. 6, Belleville, all his life. He was an adherent of the United Church. Mr. Bradshaw was a raw mill operator at Canada Cement.

He is survived by his parents, his wife, the former Norma Mae Hoard; by three brothers, Douglas, Jack and George, all at home, and by one sister, Miss Mary Jane Bradshaw, also at home.

Mrs. & Mrs. Stewart  
Hoover Honoured

On Friday evening, May 2nd, approximately one hundred friends, relatives and neighbours of the surrounding community met at Bethel United Church Hall to honour Mr. and Mrs. Stewart Hoover and family, who have taken up residence in Stirling.

Rev. W. C. Cox was master of ceremonies. Mrs. Cox led in community singing, with Mrs. W. N. Heath at the

piano. Readings were given by Mrs. Harold Holden and Mrs. Thos. Clements. Piano solos were given by Kathy Ketchen and Debbie Sino. Gloria Russett favoured with a solo, and the Linn sisters with a duet. Mr. and Mrs. Ken Lang favoured the audience with several musical selections which added enjoyment to the evening. Reeve Burton Morton and Alton Hadley spoke of the high esteem the honoured couple were held in the community.

An address was read by Frances Heath, Jack Dunham and Marvin Cooney. Grace Morton, Faye Dunham and Marion Heath made presentations of a writing desk, an antique gold-edged mirror and dresser lamps to Gayle, Lynne and Anne. All made suitable replies and the singing of "For They Are Jolly Good Fellows" brought the evening to a close.

A delicious lunch and social hour were enjoyed by all.

## Entered Into Rest

RALPH FRANKLIN  
DEMOREST

Ralph Franklin Demorest, R.R. 2, Stirling, died suddenly, after an automobile accident, on Highway 14 near Belleville, early Saturday morning.

He was born in Belleville 37 years ago, a son of Mrs. Mary Demorest and the late Bruce Demorest and spent most of his life in the Stirling district. He was employed with the Deloro Stellite for some years.

Mr. Demorest was an adherent of the United Church.

Surviving are his mother, his wife, the former Rosemary Lee, three sons,

Randolph, Rodney and Richard and two daughters, Roberta and Pamela, all at home.

Mr. Demorest rested at the Rowe Funeral Home, Frankford. Service was held in the chapel on Tuesday, May 13, at two o'clock.

Interment was in Stockdale cemetery with Rev. John Weese officiating.

Oak Hills  
Flying Club

This is the second in a series of articles about the Oak Hills Flying Club. Last week this column contained a brief history of the organization.

Today I will discuss our aircraft. Very few people realize how well airplanes are maintained. Every 50 hours, or 30 days, whichever comes first, a licensed engineer inspects the whole aircraft, checking over 90 different parts. The D.O.T. set a maximum flying time on each engine which is usually 1200 hrs. When the aircraft has flown the 1200 hrs. the engine is removed for a major overhaul. This will cost a minimum of \$1000.00 depending on the size of engine. Thus you can understand why many aircraft built in the 1940's are still flying.

At the Oak Hills Flying Club we have a number of different varieties of aircraft. If you are interested, drop in anytime and look around. We will be happy to answer any questions.

Watch next weeks issue for a discussion on how to go about learning to fly.

## Kindergarten Registration

The Hastings County Board of Education plan to provide kindergarten classes throughout the County wherever practical and staff and accommodation are available. In a school where "three entry" admission programme is used, Kindergarten will not apply. Parents who wish to avail themselves of this education service should proceed as follows:

1. Children who are 5 years old by December 31, 1969, are eligible, and have not already been registered should be taken to the nearest public elementary school on Thursday, May 15th, 1969, between 1.30 and 4.30 p.m.

2. When you bring your child, have with you, also:

- (i) Birth or baptismal certificate
- (ii) Record of immunizations
- (iii) Vaccination certificate

Establishment of classes will be determined as soon as registrations have been reviewed. Please note that school principals are not authorized to grant exceptions regarding age of admission.

## In Memoriam

**REID — In loving memory of a dear son and brother, Richard Allen (Dick) Reid, who passed away May 11, 1964.**

That day we remember, sad to recall,  
When without farewell he left us all,  
Deep in our hearts, his memory is kept,  
We loved him too dearly to ever forget.

— Sadly missed by Mother, brothers and sisters. 19-1p

**REID — In memory of a dear son and brother, Clifford Gordon Reid, who passed away May 1, 1967.**

Wonderful memories woven in gold,  
This is the picture we tenderly hold,  
Deep in our hearts your memory is kept,  
To love, to cherish, and never forget.

— Sadly missed by Mother, brothers and sisters. 19-1p

During the week of April 28th to May 5th, 1969 officers of the Madoc Detachment, Ontario Provincial Police investigated 12 motor vehicle accidents, 2 with personal injuries.

There were 58 occurrences reported to this office, 3 for break and enter, 6 for thefts and 6 requests for assistance, with 34 traffic warnings handed out and 35 vehicles checked. There were 24 charges laid under the Highway Traffic Act.

4,500 miles of area were patrolled during 912 working hours with 46 hours spent in court with R. C. Jackson (Judge) registering 24 convictions.

Headlight Courtesy DRIVERS! When driving at night, remember... the law requires you to deflect your high beams within

500 feet when meeting oncoming vehicles, and within 200 feet when following a vehicle.

**Rules For Safer Cycling**  
**PARENTS!** If your child rides a bicycle, make sure he knows and obeys the traffic rules for safe cycling. Here are some tips for safer cycling: (1) Signal turns and stops with the proper signals... the left arm out and up for a right turn... out straight for a left turn... cut and down for a stop. (2) After signalling, return your left hand to the handle bar promptly... and keep both hands on the handle bars. (3) Ride in Single file close to the curb. (4) Carry parcels in a carrier, not in your hand. And remember, a regulation bike is for one rider... no passengers allowed.

# Chevrolet Pacesetter Values

This year's cars at less than last year's prices.

You already know where most prices are going. Up. So you'd naturally expect the brand-new '69 cars shown here to cost a lot more than last year. Fact is, many cars in this year's line-up from Chevrolet cost less, much less, than last year's models. For instance, the 2-door Impala, equipped with power disc brakes, Turbo Hydra-matic transmission, whitewalls, wheel covers and head restraints, plus a bigger motor than last year, is yours for \$120.50\* less than last year's figure. And comparable savings are waiting for you on many Nova, Chevelle and Camaro models. In other words, you can buy many of this year's cars at less than last year's prices. Which is what putting you first is all about. From the top, Chevy Nova, Chevelle Malibu, Camaro and Impala.

### MR. AND MRS. R. R. J. (Jody) SAGER SAGER — WILLIAMS WEDDING

Mount Pleasant United Church, Stirling, was the setting for the wedding ceremony on Saturday, April 26, 1969, at 11:30 a.m., when Barbara Esther Williams, daughter of Mr. and Mrs. Stanley E. Williams, of Stirling, R.R. 3, was united in marriage to Richard Roy Joseph (Jody) Sager, son of Mr. and Mrs. C. E. Ken Sager, Belleville, R.R. 6.

Rev. W. C. Cox officiated at the ceremony and Mrs. Kenneth Weaver presided at the organ and accompanied the soloist, Mrs. W. C. Cox.

Given in marriage by her father, the bride wore a floor-length white rayon brocade Empire styled sheath gown with lily-point sleeves and matching train falling from the shoulders. A cluster of white satin and tulle roses was caught to a chapel veil trimmed with rayon lace. She carried a white Bible crested with red roses and velvet streamers.

Maid of honour, Miss Brenda Williams, of Kemptville, sister of the bride, wore a floor-length princess styled gown of pale blue bonded crepe with matching velvet streamers extending from a self bow at back neckline. The bridesmaids, Miss Jayne Doran, of Milton and Miss Bonnie Williams, sister of the bride, were gowned similarly to the maid of honour but in pale pink. All wore

matching velvet bows in their hair and each carried a bouquet of white 'mums and yellow roses. Little Miss Connie Crawford, of Brockville, cousin of the bride, wore a yellow crystal crepe gown similar to the bridesmaids. She carried a white basket of white 'mums and yellow roses.

C. E. Ken Sager, father of the bridegroom was groomsmen, while the ushers were Harry Keating, of Marmora, and Fred Williams, of Campbellford, cousin of the bride. Kenny Sager, nephew of the bridegroom, was ring-bearer.

A buffet reception was held at the home of the bride's parents where the bride's mother greeted the guests wearing a pale green knit dress with beige and brown accessories and a corsage of tea roses. Assisting, the bridegroom's mother wore a mauve crimplene dress with white accessories and a corsage of white roses.

Leaving on a wedding trip to points north and west, the bride chose a robin-egg blue coat dress with black and white accessories and a corsage of red roses.

Out-of-town guests were present from Brockville, Campbellford, Toronto, Brampton, Marmora, Trenton, Belleville, Milton and Eldorado. Mr. and Mrs. Sager will reside at 194 Charles Street, Belleville.

### Ten Pin League

On Monday, May 5th, the Ten Pin League bowled their final night of their schedule.

The League Champs were John Reichert's Slow Pokes 106. Teammates were: Ralph Scea, Jack Wilson, Gerald Bailey and Delia Reichert.

Shirley Wilson's Hot Shots had 90 points. Other members of this team were: Ted Dobson, Ibbey Dobson, Bill Reid and Ray Poste.

After the bowling, the league enjoyed Kentucky fried chicken and President Ralph Scea presented awards, as follows:

Ladies' high average, Ibbey Dobson,

124; high triple, Shirley Wilson, 447; high single, Delia Reichert, 160.

Men's high average, Ted Dobson, 160; high triple, Ralph Scea, 554; high single, Ray Poste, 201.

John Reichert received \$4.00 for 2 super spares; Jack Wilson \$2.00 for 1 super spare and Ray Poste, \$2.00 for 6 consecutive strikes in 1 game.

Delia Reichert and Gerald Bailey had the lowest games of the season with 71 and 80 respectively.

### Bethany Unit UCW

The April meeting of Bethany Unit was held at the home of Mrs. James Bailey with an excellent attendance.

The worship service was built around the New Testament story of Jesus in the Garden of Gethsemane, and was conducted by Hilda Bray and Rosella Clancy. A duet, "In The Garden", was sung by Marilyn Brooks and Marcella Svoboda, accompanied by Iolene Grant.

Guest speaker for the evening was Mrs. Ralph Sills. Mrs. Sills gave a personal talk on her recent trip to New Zealand, Australia, Hong Kong and Japan.

Lunch was served and a social hour enjoyed. Evva Tucker voiced a thank you to Mrs. Sills, Rosella and Hilda, and to anyone who had helped to make the evening such a memorable one.

### University Women's Club Spring Fair

On Saturday afternoon, in St. Michael's Auditorium, the Belleville District University Women's Club presented its annual Spring Fair. Welcoming the guests at the door were the Club President, Mr. R. Cass; Vice-President, Miss M. Gibson; and Fair convener, Mrs. H. Burns.

The highlight of the Fair was the outstanding exhibition of over fifty paintings by Manly MacDonald, R.C.A. Familiar landscapes, depicting autumn and winter scenes in the Picton and Napanee areas were popular with the guests and buyers. Horses, another favourite MacDonald subject, were also popular, as were the ships and harbour views at Deseronto and Toronto. Mr. MacDonald's presence to discuss the paintings added to the interest of the showing.

The display of paintings was arranged by Mrs. J. H. Bateman, with the assistance of Mr. McWilliams, Head of the Art Department at Belleville Collegiate, and several of his students.

Mr. MacDonald has donated annually one painting to be used as the prize in a draw, the proceeds of which have been used to provide scholarships awarded to girls of the Belleville district, who are attending university. In addition, Mr. MacDonald has made very generous cash donations to the University Women's Club Scholarship Fund. For the year 1968-69, the Club was able to make awards totalling \$1,200, largely through Mr. MacDonald's support of this event. The sale of draw tickets was convoked by Mrs. W. Lindley and Mrs. D. Macintosh. Towards the end of the Fair, Mr. MacDonald drew the lucky ticket and Mr. Garth McCreary became the proud owner of a beautiful oil painting entitled "The Don".

The home bake table, featuring many delicacies, was convoked by Mrs. C. Patrick and Mrs. J. Watkins. Mrs. A. Locke's fine display of African violets added interest and colour to the Fair. At another table, Mrs. R. Graham displayed and sold Cape Croker Indian handicrafts.

A tropical setting with large palm trees, coconuts, orchids and shells was the theme for this year's decorations, with mauve, orchid and white the predominant colours. The tea table was centred with beautiful mixed spring flowers flanked by mauve tapers in clear glass candelabra. These decorations were skillfully created by Mrs. E. Manderville and Mrs. E. Smith aided by their committee.

Guests were welcomed to the tea room by Mrs. B. Foxton, Mrs. P. Harris and Mrs. D. Hurley. Members

who poured tea were: Mrs. D. MacKinnon, Mrs. P. Selbert, Miss Neil Merry, Miss J. Tickell, Miss R. Gaw, Mrs. B. Walsh, Miss Mary Dwyer, Mrs. F. O'Riordan and Miss Grace Rancy.

Mrs. J. Nelles and Mrs. F. Bellstedt arranged the delightful settings for the afternoon tea, while Mrs. R. Butler, Mrs. R. Jeffrey, Miss M. Doyle and their committee provided tea and refreshments.

Receiving admissions for the after-

noon was Mrs. P. Howe, assisted by Mrs. N. Norwald, Miss K. Daly, and Mrs. B. Morgan. Miss Muriel Gibson and Mrs. P. Harris were in charge of the publicity for the Fair.

Appreciation was expressed to Mr. MacDonald for his kindness and generosity and to the any people who attended the Fair.

The future of mankind belongs to its mongrels and not to its handsome but brainless Borzoi.

The regular monthly session of Stirling Village Council was held on May 5th, with all members present.

Delegations present included Burton Woodbeck, on behalf of Woodbeck Auto Parts regarding parking on Wellington St.; Roy Lake, on behalf of Boot & Shoe Workers Union; Harry Jones and Bert Cook, requesting water problem on south end of John Street be remedied; Ken Stapley, on behalf of Trent Valley Country Jamboree; Percy Utman and John Morgan, on behalf of Stirling Agricultural Society.

The following communications were read by Clerk-Treasurer W. L. Pollock:

Hastings County Milk Producers, Community Hall; Department of Municipal Affairs, borrowing power; Art MacConnell, estimate for parking signs; Department of Public Works, rental lease; County of Hastings, 1969 levy; County of Hastings, estimated grants for 1969; Stirling Public School Board, school patrols; Charles E. Hicks, monthly report; Mrs. Wm. Vardy, complaint.

The communication from the Hastings County Milk Producers pointed out that there was a lack of cloakroom facilities at the Community Hall. This request was referred to the property committee for consideration.

The letter from County of Hastings outlined the 1969 levy in the amount of \$38,937.40, which will be required to be raised by the Village this year.

The request from the Stirling Public Schools for the implementation of adult school patrol system for local school crossing in the Village was tabled for the finance committee for the budget meeting.

Mrs. Wm. Vardy noted that a dog had killed several of her hens. The letter will be turned over to the Animal Control Officer and also a letter will be directed to Mrs. Vardy from Council.

Reeve D. W. Rodgers and Councilor Claude Trumble reported on an Ontario Housing Workshop held recently in Peterboro, which they attended.

The Trent Valley Country Jamboree requested the use of Stirling Theatre the second and fourth Saturday nights from September 13th to the end of May, 1970, on the same basis as this year. They also requested three electrical outlets for the back of the stage. These requests were granted.

By-law No. 721 was given its several readings and passed, prohibiting parking on Wellington St., from North St. to Edward St.

The Cemetery Committee was authorized to purchase the necessary lawn mowers for the cemetery and parks.

### "At Home"

Mr. and Mrs. Herman Vardy will be at home to their relatives, friends and neighbours at their home, 161 Front St. W., Stirling, on Saturday, May 31st, from 2 to 4 in the afternoon, and from 7 to 9 in the evening, on the occasion of their 50th Wedding Anniversary.

### Engagement

Mr. and Mrs. Harold Coldwell, Toronto, announce the engagement of their daughter, Dianne Marilynne, to Grant Raymond Reir, Toronto, formerly R.R. 2, Stirling, Ont. Marriage to take place Saturday the twenty-first of June, 1969, at three-thirty o'clock at St. George's on the Hill Anglican Church, Dundas Street West, Stirling. Reception following at the Ascot Inn, Rexdale Blvd., West Rexdale.

### Receives Certificate

Stirling Motors (Stirling) Ltd. announce that Lester Foster, an employee of their firm, who recently participated in a course of Specialized Training in outboard motors at Outboard Marine Corp., Peterborough, was successful in receiving his Service Training Certificate.

### Fireworks Display

The Community Fireworks Display, sponsored by the local Branch of the Royal Canadian Legion, attracted a large crowd at the Fair Grounds on Monday evening. Those in attendance were treated to a colourful and exciting display.

### Man Killed In Car Accident

Brian Putman, 24, formerly of Trenton, and home for the week end from St. Thomas, was killed when thrown from a car police believe he was driving as it veered off Highway 14, three miles north of Stirling at Broadworth's Corners, late Saturday night.

Wayne Schwager, Trenton, was admitted to Belleville General Hospital with lacerations.

### With The Oak Hills Flying Club

It is not as difficult as most people think to obtain your Private Pilot's Licence. It is as simple as driving your car, and, a lot safer.

If you are interested in learning to fly, you would be wise to come to the Flying Club and talk with the instructors and directors. To qualify for a Student Pilot Permit you must be over sixteen years of age and pass a D.O.T. medical. However, don't let the medical scare you away. Some Private Pilots have wooden legs, hearing aids and heavy glasses.

Now you are ready to fly. We are operating seven days a week so you can fly at your convenience. However, it is a good practice to fly one and a half to two hours a week while you are learning. In this way, you will benefit more from each lesson. Ground school is run concurrently with your flying. It is held one night a week for ten to twelve weeks. Subjects that you will cover will include Air Regulations, Theory of Flight, Meteorology, Aero Engines and Navigation. You will be given about one to two hours of homework each week. If you are like most students, you will thoroughly enjoy the ground school and end up doing more homework than required.

When you have completed your ground school and flying training, you will have to write an exam and take a flight test. Your file will then be sent to the D.O.T. in Toronto. Your application will be processed and your Private Pilot's Licence will be issued and sent to you.

Now you are able to enjoy the relaxing sport of flying. You can attend fly-in breakfasts, fly-in week ends at resorts, fly-in barbecues, and just plain flying to enjoy the company of other Private Pilots. We welcome all visitors and invite you to look over our operation.

### SOME TIME AGO

The Senior Citizens were happy to welcome Mr. and Mrs. Andy Gordon, from Owen Sound, last Thursday. Mrs. Gordon is the former Jean McCubbon who taught the Junior grade in our Public School some years ago. They really called to visit Gertrude and Buttimer, but met so many friends that they stayed for lunch. Jean recalled many instances while teaching here and one was — Dis Ole Scribe asked his son, Doug, what he had learned that day at school and he said: "Miss McCubbon taught us some A B S & C's."

The call to the trough was given by Elizabeth Foster and Nellie Montgomery. We all nosed into the nice array of cookies, cheese and hot drinks. Pres. Fred welcomed the guests and thanked the trough fillers.

Do you know that Arnold Wannamaker delivered milk here for over 27 years. His price per quart was five cents for some time.

Do you recall when there was a brick Baptist Church, north of Church St., just west of Annis St.

Here's an old one — There was once a co-oper shop just south of the Library and was run by Jerome Conley.

David Martin once operated a hardware store where the Argus is now printed.

Now stretch your memory — Do you remember when taxes were low? Ain't that a hot one?

Remember that punch line of Mrs. Burton Morton when she played her part so well in a show put on here? When was that? Ask Mrs. Clarence Dunham. She was a star in that show, too.

Dis Ole Scribe

### Honoured On 84th Birthday

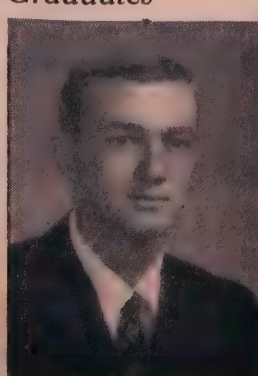

Mr. and Mrs. Jim Andrews and David and Mr. Delhi DeVarrennes, of Toronto; Mr. and Mrs. Donald Andrews and Christine, Mr. and Mrs. Harvey Martin, David and Dianne Fenton, of Belleville, were supper guests of Mr. and Mrs. Hubert Andrews and Karen on Saturday. It was the occasion of Russel Johnson's 84th birthday.

### Married

The marriage of Mr. Ralph Carman Reid, son of Mrs. Allen Reid and the late Allen Reid to Sheila Margaret, daughter of Mr. and Mrs. Gordon Clarke, was solemnized at Mount Pleasant United Church on Saturday, May 17th, 1969 at 2 o'clock, by Rev. W. C. Cox.

A small reception was held at the home of Mrs. Allen Reid, with Mr. and Mrs. G. Clarke, Mr. and Mrs. Keith Johnson and Judy, Mrs. Gordon Phillips, Rev. and Mrs. W. C. Cox and Craig, Walter Orr and Bonnie Finch, Marilyn and Edwin Reid and Mrs. Murray Scott attending.

### Graduates

JOHN J. MURRAY

son of Dr. and Mrs. R. B. Murray, Stirling, graduated from the Associate Diploma Course in Agriculture, May 21st, at War Memorial Hall, University of Guelph.

### Rotary Club Entertains Ladies

On Tuesday evening of last week, members of Stirling Rotary Club entertained their wives at a smorgasbord dinner and programme at Havelock Hotel.

Prior to the delicious meal, Grace was said by Rotarian Robert Hulin. President J. Boughen capably acted as chairman for the evening. A toast to the ladies was ably proposed by Rotarian Stewart Cooke, to which Mrs. J. Boughen replied.

The highlight of the evening was an illustrated travelogue by Mr. and Mrs. Alton Hadley of their recent trip to South America. This proved both interesting and educational.

Alton, who incidentally was the first President of Stirling Rotary Club, gave a brief history on the formation of the local Club, which was of interest to the present members.

Mr. and Mrs. Hadley were introduced by Rotarian George Noble, and the thanks of the Club was expressed by Rotarian Clare West, Bill McArthur provided dinner music on the organ during the dinner hour.

Rotarian Les Rawlings, who was in charge of the event, is to be complimented on providing such a fine evening for the Rotary Anns.

### Look At Your Label

The mailing lists of the News-Argus have been corrected and subscribers are requested to look at the yellow label on their paper to see if the date of expiry is correct. If the label reads before May 1969, you are in arrears and we would appreciate hearing from you in the near future. Should the date on the label be in error notify this office at once and it will be rectified. —Thank you.

### Stirling Horticultural Society Makes Plans For Busy Season

(By Luella Bronson)

After this May meeting of the Stirling Horticultural Society, all will be busy as a number of activities are at hand to be done, such as — Plant Sale, an annual event; a bus trip to view Toronto gardens; Park planting throughout the village; the Flower Show, and the Provincial Convention.

Mrs. Mildred Wrightman, on the 4th Line, held the May meeting, on Monday afternoon, with 42 attending.

Mrs. Floyd Armstrong opened the meeting with the repeating of the Lord's Prayer, followed by the Gardener's Prayer.

The Secretary, Mrs. Raymond McConnell, read the minutes of the previous meeting and the Department news letter.

Mrs. Grant Hubble reported on the finances and told of the membership which has now reached 104, with still more canvassers to be heard from.

Mrs. Armstrong announced that the plants for members' premiums will be in readiness to be picked up at her home, in receipt of the membership cards.

Mrs. Harry Waite read the acknowledgments from the Churches that received lilies from the Society. They are: St. Paul's United, St. John Anglican, and Sisters and Church Board of Grace Chapel.

Many members volunteered to help with the Plant Sale on Saturday, Park planting and arranging classes at the Festival of Flowers.

Young trees and flower seeds were distributed to those wanting them. Mrs. Hubble handed out the Flower Show programmes. This show will be held in St. Paul's Sunday School rooms, on June 12th, with pictures being shown after the evening show. Mrs. Hubble listed the bus trip fare

### Dr. and Mrs. John F. Burrows On Trip

Dr. and Mrs. J. F. Burrows have left for California to attend the wedding of Mrs. Burrows' younger son, Sgt. Michael Turner Morgan, United States Marine Corps, to Miss Robin Melinda Figley, of West Covena, California. The wedding will take place on May 31st, 1969, at the United Methodist Church, of West Covena.

En route, they will visit Mrs. Burrows' eldest son, Petty Officer W. Peter Morgan, United States Navy, in Memphis, Tennessee.

In their return trip home, they will visit Mrs. Burrows' mother, Mrs. W. H. Wood, in Victoria, B.C., and her sister, Mrs. H. D. Portingale, of North Vancouver, B.C.

### Break-in

John's Dairy Store was entered through a back window Friday night. A quantity of cigarettes were stolen.

from the members. She and Mrs. McConnell were in charge of this.

Those appointed to attend the Provincial Horticultural Society Convention, which will be held in Hamilton, were Mrs. Armstrong, Mrs. McConnell, Mrs. Hubble, Mrs. M. Brooks and Mrs. L. Bronson.

Mrs. Wrightman showed movies of The Falls and Expo.

The Mount Pleasant women served a variety of cookies, tea and coffee. Mrs. Kenneth Ray voiced appreciation to the hostess for the use of her home and for showing the pictures, and also to the lunch committee.

**Chatterton W.I.**

The May meeting of Chatterton W.I. was held at the home of Mrs. Zella Dixon with 12 members present.

The new President, Mrs. Helen Reid, opened the meeting with the Opening Ode and Mary Stewart Collect. The roll call was "Prepare a commercial to sell your favourite product."

Due to a sudden illness, the delegate to the Officers' Conference in Guelph was unable to attend.

Plans were made for a delegate at the District Annual on May 13th.

Four ladies won a cup and saucer for attending all meetings for the year.

The convenor, Mrs. Audrey Bruinsma, took over the meeting and opened by all singing the Institute Ode. Mrs. Bruinsma gave a very interesting talk on the history of vegetables, the year of their beginning and the country from which they came.

Mrs. Carson gave a reading on corn fed cows.

"Three Years To Meet The Threat" was read by Mrs. MacInness, who also gave the process of frozen milk concentrates.

A motion was passed of a 5c fine for those who neglect to wear their W.I. pins to meetings.

The meeting was brought to a close with the benediction and the W. I. Grace, after which there was a successful sale of plants and bulbs. The hostess and her assistants served a dainty lunch.

Mrs. Harry Keating and Marguerite of Marmora, Mr. Harry Keating, of Belleville, were supper guests on Sunday of Mr. and Mrs. Jack Sharp and family.

**River Valley W.I.**

The May meeting of River Valley Women's Institute was held on Friday evening the ninth at the school house with approximately forty-five people in attendance.

Mrs. Allan McDonnell welcomed the group as they arrived. There were twenty members, two visitors, 4-H club girls and children.

There was a large display of Record books for the two projects, also the girls choice of Aprons, runners, tote bags, samplers cushions and tablecloths. All were made in the sewing club by the members.

The central theme on the platform was a flowering red geranium and the Four H Pledge lettered on Blue.

The River Valley tuffi fruits was the 1968 project. The poster displayed various uses of dried fruits. Three foods were shown — quick coffee ring, square fruit cake, and a plate of finger foods.

The 1969 project was the River Valley Twisters, 4-H club which showed a poster with a design from an idea to cloth and gave a description of the various stitches used in the needlework course.

The new president, Mrs. Roy Tucker opened the meeting with the Institute Ode and The Mary Stewart Collect with Mrs. Glenn Bennett as pianist. The new programmes were distributed.

Mrs. Roy Irven presided for the 4-H club programme and Joyce Carr gave the commentary for the Food project.

Mrs. Albert Wilhelm gave the Motto "A Teenager needs a model not a critic". Jane Bush contributed a piano solo. For the second project the girls each had a part in presenting the needlework. They were Connie Tucker, Shirley Ann McDonnell, Trudy Bush, Jane Bush, Joyce Carr, Susan Bush, Heather Robertson and Barbara Wilhelm substituted for Nellie Bartells. The girls repeated in unison the 4-H pledge.

The highlight of the evening was the presentation of a blue and gold banner to River Valley W.I. from the Club girls with Connie Tucker doing the honours and the president accepting it and voicing thanks.

**Delegates Report**

Mrs. Gerald Brooks delegate to the Guelph Conference gave a vivid description of the buildings at Guelph University and many points of interest. The theme of the sessions was to live into oneself and she outlined the highlights of the various sessions. There is a new book "Humanity and Homespun" which will be of interest. Appreciation was extended to her for an interesting report.

The April minutes were read by the new secretary and Mrs. J. L. Donohoe gave the financial picture. There was one new member last month and one more in May.

Mrs. Ernest Carr read the correspondence which included thank you notes. The roll call centred around advantages and disadvantages that a girl of today has over her mother, and brought out some amazing answers. Mrs. Percy MacMullen displayed a copy of The English Jubilee edition of their Home and Country. She read part of a letter from the Link Secretary at Abbots Leigh and displayed a group of signatures of the members there who had been recipients of the River Valley Christmas gifts.

The convenors, Mrs. Ernest Carr, Mrs. Jack Bush, and Mrs. Glenn Bennett gave items of interest to their department of work. Mrs. Glenn Bush reported on the 4-H clubs in Canada

an increase of 2,352 clubs in 1968.

Mrs. Roy Bush displayed the District Tweedsmuir Curator Book and voiced thanks to Connie Tucker for her assistance with the art work. Mrs. Bush urged the group to save all valuable items for the historical books of the branch.

Mrs. Roy Tucker, A.C.W.V. Convenor, reported \$6.28 pennies for friendship of April and the jar was passed around. She read a special article from The Countrywomen Magazine, Needlework from all over the world, which was displayed at the Triennial Conference at East Lansing. The Canadian display was a Centennial quilt which took 180 hours of working time to complete.

The June meeting on the 5th will be held at the home of Mrs. George Grills based on agriculture. The Institute Grace was sung and the lunch committee Mrs. J. R. Donohoe, Mrs. Roy Bush, Mrs. Allan McDonnell and Miss Mary Thomas provided ice cream and cake.

Mrs. Ernest Carr voiced appreciative thanks to all those who had contributed to the successful evening.

**Rylstone Friendly Neighbours' Club**

Mrs. Clarence Thomson, President, was hostess to the Rylstone Friendly Neighbours, on Wednesday afternoon, when there was an attendance of eight ladies and one little girl.

Mrs. Thomson was in charge of the devotional period which opened with the hymn, "Mothers of Salem", followed by the Lord's Prayer and the Scripture reading from Genesis, and the creation of the First Mother. Mrs. Thomson also conducted a "Mothers of the Bible" quiz.

The Bible Study, on 1st Samuel, was prepared by Mrs. Robt. Spencer and read by Mrs. Ellis Jones, assisted by other members. The roll call was answered by a verse containing the word "garden".

It was decided to forego the June meeting as the ladies are invited to attend a "Come and Go Tea" at Spring Brook United Church, on Thursday, June 10th, and a "Floral Birthday Tea" at Zion United Church on Wednesday, June 11th, which was the regular meeting date of the Club. It was decided, in 1968, to close during the holiday months of July and August, so the next regular meeting will be held in September. The roll call for the September meeting will be "Harvest". Programme committee will be Mrs. Jack Spencer and Mrs. Clarence Thomson. Lunch committee will be Mrs. Cora Reid and Mrs. Truman Miller.

Mrs. Wilfred Spencer was convenor for the programme, as follows, reading, Mrs. Wilfred Spencer, on the hymn "Trust and Obey", with music by Mrs. Clarence Thomson; reading, "What Is A Mother", by Mrs. Truman Miller; readings, "A Mother's Love", by Mrs. Jack Spencer, and "My Mother's Hands", by Mrs. Malyn Jones.

There was a flower exchange at the close of the programme.

Cancer can be beaten — this is the slogan of the 1969 campaign of the Canadian Cancer Society. And it's true. With your help.

help your  
hogs grow faster,  
sell 25 days  
sooner!

Research has proved that hogs will reach market weight much sooner when they get off to a good, fast start in the early growing stage. This means hogs can be sold earlier and total feed costs will be much less to bring the pig up to marketing weight.

Use Purina Baby Pig Chow to get your pigs off to a good, fast start. Purina Baby Pig Chow is made to supplement the sow's milk. It gives baby pigs the extra vitamins, minerals, and antibiotics they need. Thousands of Canadian farmers have found that they get a pound of growth on less than two pounds of Purina when the pigs are young.

Farmers using Purina's Pig Feeding Program, which includes Purina Baby Pig Chow and Purina Pig Startena report that they can market their hogs up to 25 days sooner.

Figure the cost of feed that you may save during these 25 days and you'll soon see how Purina's Pig Feeding Program can cost you less. Ask your Purina Dealer for complete details.

## Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

## Question:

Dear Sir: In a recent column you wrote about a model budget which the U.S. Labor Department said would cost a family of four, which lives in the city, \$9,076 to have a moderate standard of living. What does the Labor Department say about those who bring home less than \$9,000 a year? What should the budget be for below moderate standard of living?

## Answer:

\$5,915 . . . or about 35 percent less than the moderate budget is what the Bureau says is a standard of living for a family of your income level, which it refers to as its "lower budget." Accordingly, then, you ought to be spending about 30 percent of that - or \$1,700 for food. This averages out to about \$35 per week, but includes everything your family consumes outside the home such as at work, in school and snacks.

Another big bite of that \$5,915 goes for sheltering your family. According to the bureau's statistics, U.S. urban average housing costs amounted to

\$1,303 (22%) in the lower budget. So you can see that providing the proper nutrition for your family and adequate housing, takes a huge chunk of your annual income - more than half, actually. Still, another big portion - about 20% is tagged for clothing and personal care (11.8%) and transportation 7.5%.

A further look at the Bureau's model lower budget reveals that medical expenses for your family accounts for 8 percent of the annual budget. It's interesting to note, however, that the urban costs of total medical bills were almost identical in the lower and moderate budgets. Furthermore, if all families had to pay the full cost of their health insurance (now contributed in part or all by their employers), the total cost of medical care would have been increased by approximately 30 percent.

And as expected, personal taxes, social security and disability accounted for 12½ percent of the lower budget. Other costs include 5 percent for "other family consumption" (such as recreation, tobacco, alco-

holic beverages and miscellaneous items; 2 percent for personal life insurance and 2½ percent for gifts and contributions.

As I indicated in my other column, Mr. W. you can take these figures and compare them against your expenses and see how you rate with the Labor Department's model. Naturally, there will be variances from one family to the next, from one area to the next, but these figures should help you determine about how much you should be spending.

(P.S. The Bureau also puts out a model budget for the upper income level and we will discuss that in subsequent column.)

MR. AND MRS. VERNON GERALD CLARKE  
**CLARKE -- CHRYSLER WEDDING**

Linda Ellen Chrysler, only daughter of Mr. and Mrs. Everett A. Chrysler, Port Credit, Ontario, became the bride of Vernon Gerald Clarke, Long Branch, Ontario, son of Mrs. Harry Clarke, Stirling, Ontario, in Lakeview United Church, Port Credit, on April 12, 1969, at 4 p.m. Rev. Daniel Manning officiated.

Given in marriage by her father, the bride wore a white satin gown with pearl and crystal embroidery, featuring fitted bodice, A-line skirt, lace applique on skirt front and lace insets on the long sleeves. Her chapel-length train fell from the waist. She carried a white satin ruff topped by white orchids.

The attendants were Mrs. Don Ryan, Alderwood, Ontario, cousin of the bride, matron of honour; Mrs. Robert Clarke, Islington, Ontario, sister-in-law of the groom and Miss Carolyn Chrysler, Port Credit, cousin of the bride, as bridesmaids.

The matron of honour and bridesmaids were gowned alike in full-length, orchid-coloured silk shantung, short-sleeved dresses with wedding stand-up collars and deep purple velvet trim. Their headpieces were of ribbon bows in velvet to match the dress trim. They all carried orchid shantung muffs and bright yellow daisies.

Soloist at the wedding was Mrs. Joy Manning, a member of the Lakeview

United H.C. group of which the former Linda Chrysler is the counsellor.

The organist was Mrs. Win Rose, a friend of the bride and groom.

Mr. Neil Matheson, Clerk of Session, presented the couple with a family Bible following their marriage ceremony as a gift from the Church Session, on which the bride serves.

Following the marriage, the reception was held at the Army, Navy and Air Force Hall, in Lakeview. The mother of the bride received her guests, wearing a pale apple green, beaded silk shantung dress and coat ensemble matching tulle hat, cream accessories and a corsage of yellow sweetheart roses.

She was assisted by the groom's mother, who chose coral crepe matching dress and hat, black patent accessories and a corsage of white carnations.

Included among the many out-of-town guests was Mrs. A. Danford, of Deseronto, grandmother of the groom.

### Ivanhoe W.I.

The May meeting was an evening meeting held in the Ivanhoe Hall with our new President, Mrs. Klaas Tuinman in the chair. As usual she opened with the Institute Ode and Mary Stewart Collect. Roll Call, minutes of last meeting and business was dealt with.

Mrs. Tuinman gave us a few highlights on her trip to Guelph. Mrs. Tuinman turned the meeting over to the Ivanhoe Girl's Club Leaders, Mrs. Ted Pollock and Mrs. Gerald Kerby. Mrs. Pollock welcomed the Club Leaders Mrs. Kim, and Mrs. Akins and Club girls to our meeting from the Wellman's W.I. Miss Hoover and Miss Kim put on a skit, "Let's get ready to Embroider and from Ivanhoe Miss Kirby put on a skit, "The Sampler of Great Grandmothers Day". Mrs. Barton Haggerty presented Ann Tuinman and Margaret Sills with spoons for completing their 6th project for their County Honours and Mrs. Sills presented Mrs. Tuinman with a spoon for helping with the club work.

Mrs. Dan Cooke gave a few highlights on the District Annual held at Cooper. The Collection, Birthday money and Penny's for Friendship was gathered and the meeting closed with "O Canada" and the Institute Grace. Lunch was served and a social half hour spent.

### Connolly -- Wilson Wedding

Rev. Bruce Small officiated at the wedding ceremony at high noon in St. Paul's United Church, Stirling, on Saturday, May 10th, 1969, when Nancy Ann Wilson, daughter of Mr. W. Lorne Wilson, of Belleville, and the late Mrs. Wilson, was united in marriage to Daryl Henry Connolly, son of Mrs. H. J. Connolly, of Kingston, and the late Mr. Connolly. Mrs. Harry Brown presided at the organ and played accompaniment for the soloist, Miss Anne Wilson.

Given in marriage by her father, the bride wore a floor-length gown of organza over taffeta, styled with Empire waistline and slightly A-line skirt. The bodice was enhanced with lace trim and narrow pink ribbon and featured a high neckline and long bouffant sleeves with matching lace trim. A cathedral train extended from the back of the waistline. She wore a matching headpiece from which flowed a four-tier veil of nylon illusion and carried a nosegay of carnations, pink sweetheart roses with baby's breath.

Mrs. George Atkinson, of Peterborough, as matron of honour, wore a pastel pink dotted Swiss over pink taffeta gown with Empire waist accented with deep pink velvet ribbon with matching velvet ribbon in her hair. Miss Linda West, as bridesmaid, was attired identically to the matron of honour, and both carried small baskets of white mums with pink tinted baby's breath.

C/O John Westrop, R.M.C., of Kingston, was groomsmen, while the ushers were Paul Picherack, of Kingston, and George Atkinson, of Peterborough.

At the reception in the church hall, the bride's aunt, Mrs. Lloyd Dafeo, of Stirling, received the guests wearing a turquoise coat and dress ensemble with matching accessories and a corsage of white carnations. The bridegroom's mother assisted wearing a yellow brocade coat and dress ensemble with white and yellow accessories and a corsage of white carnations.

For the wedding trip to points west, the bride wore a coat dress of pink and grey check, pink and grey accessories and a corsage of pink sweetheart roses.

Out-of-town guests were from Toronto, Oshawa, Belleville, Kingston, Wasaga Beach, Peterborough and Marmora.

Mr. and Mrs. Connolly will reside in Edmonton, Alberta.

### Mt. Pleasant U.C.W.

The May meeting of Mount Pleasant United Church Women was held Wednesday evening at the Church Hall, with nineteen members and sixteen visitors in attendance.

Mrs. Mac Sharp provided quiet music as a prelude and Mrs. Burton Sharpe, President, welcomed the group and opened with a hymn and a prayer.

For real fun, riding a bike is hard to beat. You're a jet flyer - you're a space explorer. You belong to a club of millions of adventurers!

Just a minute though, before you take off. Wheeling a bike around is fun, but it can be dangerous too. Smart pilots steer clear of accidents by always obeying the "rules of the road" and by keeping their bikes in top shape.

Take a look at your bike first. Make sure it fits you. Fasten the saddle at a height so your feet rest on the pedals, not tiptoeing. The handle grips should be level with your hands for easy steering, not slanted up or down.

Now check your bike's equipment. It should have 1. a horn or bell; 2. a headlight visible 500 feet ahead; 3. a tail light or reflector and reflective tape visible 500 feet behind; 4. a rear view mirror; 5. a kick stand; 6. a carrier and 7. a chain guard.

After you've become a good rider with lots of off-the-street practice and have passed your solo flight, you're ready to take to the road. Just remember, as a bike pilot you must obey the same laws as motorists, so learn them well, especially the use of

hand signals and the meaning of traffic signs and lights.

During the week of May 6th to 12th 1969 officers of the Madoc Detachment, Ontario Provincial Police investigated 5 motor vehicle accidents all of a property damage nature.

There were 40 occurrences reported to this detachment, 5 for thefts, 6 disturbance reports with 10 requests for assistance.

There were 42 traffic warnings with 11 Highway Traffic charges laid with 5 Criminal Code charges during 700 working hours.

40 hours spent in court with R. C. Jackson registering 23 convictions.

be held on May 22nd, from 8 to 10 p.m., is being convened by Sisters Hilda Rose, Edna Fox and Irene Hogle.

Following Lodge, Sis. Mary Hulin was in charge of a delightful programme of games and contests which was enjoyed by all.

The members then retired to the dining hall where the P.N.G.'s served a tasty lunch of sandwiches, squares, pickles, cheese, tea and coffee.

Sis. Betty Johnson thanked the Past Grands on behalf of all present.

### STIRLING HORTICULTURAL SOCIETY

Most Perennials should be transplanted in late May or June and not so late as mid summer.

#### Local and Personal

Mr. and Mrs. Don Gibbons, Stratford, were week-end guests of the latter's mother Mrs. Percy McGee.

Mr. and Mrs. Everett Cooke spent the holiday week-end at Wellsey Island State Park, with the Quinte Trailer Club.

Mrs. Stan Roblin, Toronto, spent a few days last week with Mr. and Mrs. C. B. Rollins.

#### Stirling W.I.

The May meeting of the Stirling Women's Institute was held at the home of Mrs. Harry Jones with thirteen members and four visitors present. One of the visitors was Mrs. E. D. Chapman, of Cooper W.I., who recently moved to this locality.

The President, Mrs. Clifford Clancy, opened the meeting in the usual manner with the new pianist, Miss Lenora Williams, playing the music. Roll call for May was "Give Your Mother's Nationality".

The treasurer, Mrs. Wm. West, gave the financial statement. A number of small bills were handed in for expenses to the District Annual, etc. A motion was made for all bills to be paid. Mrs. E. Cooke handed in \$3.00 rent for flatware received from the bowling league.

Mrs. B. Reid gave a very well-prepared paper on Agriculture, bringing out that point that of all primary industries in Ontario, agriculture ranks first. Ontario is also Canada's greatest gold-producing province. She stated that airplanes are increasingly used to spray crops and pasture fields and that farming is becoming more automated every day.

Mrs. Smith gave a paper and stated that Mother Nature never spoils her work by being in a hurry. With several references from the Bible — "One for the young: (1 Cor. 11:14). "Does not nature itself teach you that for a man to wear long hair is degrading to him"; and one for the older folks: (2 Cor. 4:16). "So we do lose heart, though our outer nature is wasting away, our inner nature is being renewed every day."

This all points to the fact that nature is really in everything and everywhere in some form or other.

Mrs. Wm. West read a press report taken from a paper ten years ago of one of the W.I. meetings that brought back dear memories to all as several of the ladies spoken of have since passed away.

Readings were given, mostly on "Mother's Day", by Mrs. M. Ayrbart, Mrs. M. Ward, Mrs. Foster and Mrs. A. Wannamaker.

The President closed the meeting with the Queen and Mrs. Clancy and Mrs. Jones served a very dainty lunch. Thanks was extended to Mrs. Jones for her hospitality.

### Merrie Bowlers Hold Banquet

Once again, on Wednesday evening, May 14th, the Merrie Bowlers brought another season to a close with a banquet held at the Red Lion, Trenton. The girls enjoyed a lovely dinner, after which the team prizes were presented as follows:

1st place went to the Marigolds, 120 points, with Phyllis Pearce as captain. Congratulations, girls.

2nd place — Dandelions, 119 points, with Linda Barron, captain.

3rd place — Violets with 91 points, Isabel Hutcheon, captain.

4th place — Orchids, 90 points, with Marie Morton, captain.

High average, Barb Noble, 188; High single, Grace Donohoe, 302; High triple, Phyllis Pearce, 777.

300 games — Barb Noble, 330; Grace Donohoe, 302; Ruth Glover, 300.

Ten prizes were given out for perfect attendance, donated by Ray Poste, as follows: Marie Morton, Shirley Grills, Linda Barron, Olive Miller, Isabel Hutcheon, Mildred Fraser, Donna Fargey, Helena Oosting, Willie deJong and Betty LaRue.

Mildred Fraser donated two prizes: one for the lowest game of the year, Ada Keating, and the most improved average, Ann Klompaker.

Donna Fargey won a lucky draw, donated by O'Hara's Red & White.

Linda Barron, Marie Morton, Vi Scott, Donna Fargey, Ruth Glover, Ann Klompaker, Helena Oosting, Olive Miller, Mildred Fraser and Marg. Lala were the winners of the

donation made by Elaine Footwear. Some of the girls ordered trophies and their names were put in a draw, and Linda Barron was the winner of a nice prize, donated by Holt Hellewell Trophy Co.

Grace presented Phyllis with a small remembrance from the League, as she is leaving our midst.

Mildred Fraser, President, held the election of officers for 1966-70, as follows:

President — Donna Fargey  
Vice-President — Betty LaRue  
Secretary — Lillian Heasman  
Treasurer — Grace Donohoe  
Captains — Willie deJong, Linda Barron, Marie Morton and Marg. Keating.

We would like to take this opportunity of saying thanks to W. deJong for saying Grace before our meal and to Mildred Fraser, our Past President and thanks to Ray and Ivy Poste for going to get our trophies and to all who donated prizes.

A special thank you to the Stirling News-Argus and staff for reporting our games during 1965-66 season. Thanks again, girls, and hope to see you next Fall.

#### Mount Pleasant

(Mrs. Percy MacMullen)

On Sunday, May 18th, at the early nine o'clock church service there were eighty people in attendance. Miss Judith McAdam rendered a vocal solo with Miss Linda Potts as accompanist. Several bouquets of flowers added beauty.

Robert Jeffs, Oshawa, spent the week end with relatives here.

Mrs. Leonard Sharpe returned home on Friday. She has spent the past two weeks with Mr. and Mrs. Jim Milne, Oshawa.

Mr. and Mrs. Harry McAdam entertained their family for the holiday week end: Mr. and Mrs. Neal Tifford, Burlington; Mr. and Mrs. David McAdam and children, Oshawa; Mr. and Mrs. Fred McAdam; Belleville; and Mr. and Mrs. Leslie Nelson and Cheryl.

On Mother's Day, Sunday, May 11, memorial flowers were placed in the Church by Ross Hoard and family, in memory of Mrs. Ross Hoard, and by John Holmes, Annie Holmes and Kenneth Holmes, in memory of Mrs. John Holmes.

Recent friends who called at the home of Mr. and Mrs. Frank Hutchinson were Rev. and Mrs. Melbourne Johnson, Ann Armour, Michigan; Mr. and Mrs. Osborne Smith, Peterboro; Oscar White and daughter, of Detlor; Mr. and Mrs. Gerald Bristol, Belleville.

Kevin and Patrick Dennehy, of Trenton, spent two weeks with Mr. and Mrs. Ralph Jeffs while their parents, Mr. and Mrs. J. Dennehy, Middleton Park, Trenton, enjoyed a plane trip to Ireland to visit his parents and other relatives.

Mr. and Mrs. Percy MacMullen were guests of Mr. and Mrs. Sid Demore and family, Marmora, on Sunday.

Ten ladies from here enjoyed the Horticultural bus trip to Toronto on Thursday, May 15th. The group viewed High Park Gardens, and a tour through the greenhouse, James Memorial Park, Allan Gardens and Greenhouses and Edwards Gardens. The large array of tulips, hyacinths, crab trees and flowering shrubs were all very beautiful. Thirty-four people from the Stirling area and four from Marmora travelled by chartered bus with Franklin Smith in charge.

Mr. and Mrs. Sid Williams spent the week end with Mr. and Mrs. Carman Reid and daughters, at Kingston.

Mrs. Grant Hubble, Treasurer of Stirling Horticultural Society, Mrs. Floyd Armstrong, President, and several assistants conducted a very successful plant sale in Stirling, on Saturday, May 17th.

## Canada Manpower Centre Sets Up Student Summer Employment Centre

(J. R. Staveley, Manpower Controller)

In recent weeks, there has been considerable newspaper and radio publicity throughout the Province of Ontario concerning the question of this year's crop of university undergraduates and high school students of the Senior grades obtaining temporary summer employment.

The Belleville Canada Manpower Centre, from its past years of experience, recognizes that securing temporary summer employment for all of these students presents the community with an annual difficult problem. Furthermore, the problem becomes more complex with the number of these students increasing each year.

Our community is no exception, and at this moment, we already have some 150 university undergraduates and 500 high school students registered at the Belleville Canada Manpower Centre for temporary summer employment.

It is anticipated that within the next two weeks, an additional 100 or more university undergraduates will be returning to their homes in this area seeking temporary summer employment. In practically every case, all of these young men and women require a paying job in order to continue their education, since it costs about \$2,000.00 for each year of university studies.

The Belleville Canada Manpower Centre in the past has always endeavoured to assist these young students to the maximum extent of its facilities and within the potential of the local economy.

This year, the Federal Department of Manpower and Immigration at the Ontario regional level has announced a new policy — that the student summer employment campaign should be a joint effort between the local Canada Manpower Centres and their communities at large.

In line with this thinking, the Belleville Canada Manpower Centre has a novel approach to this year's student summer employment campaign.

From May 28th to the end of August, a special "Student Summer Employment Centre" will be located at 163 Dundas Street East, Belleville. This excellent office space and facilities have been made available, free of charge, through the courtesy of Colonel Angus Duffy, Area Co-ordinator of the Emergency Measures Organization and co-operation of Mayor Dr. Russell Scott, City of Belleville, and Mr. Donald Rodgers, Warden of Hastings County.

This Student Summer Employment Centre will be operated under the supervision of Mr. D. A. MacDonald, a Manpower Counsellor of the Belleville Canada Manpower Centre. Assisting Mr. MacDonald will be two students: Mr. Eric Ferguson, 2nd year York University, who will be employed on this program from May to the end of August; the other student will be a Grade 13 High School student (girl), who will be employed for the months of July and August.

Thus Student Summer Employment Centre has been set up to assist those students looking for temporary summer work. The office will be open to them from 9.00 a.m. to 12.00 o'clock noon and from 1.00 p.m. to 5.00 p.m., Monday to Friday, inclusive, each week, commencing May 5th through to the end of August.

Throughout this period, continuing publicity will be made in order to direct the attention of all employers towards this available student labour supply at the Student Summer Employment Centre. I might add that all major local employers have already

## Graduates

KALVIN K. SHARP

son of Mr. and Mrs. Malcolm Sharp, R.R. 3, Stirling, who graduated from the University of Guelph, May 21st, at War Memorial Hall.

Dr. N. R. Richards, Dean of the Ontario Agricultural College, addressing the graduates said, "With the technological orientation placed on your training, you have been prepared to participate in the complex industry of agriculture — the largest industry in Canada — an industry that contributes more to export earnings than any other sector in the nation's economy."

The graduates have completed two years of intensive study in the latest agricultural technology.

## Engagement

Mr. and Mrs. Harold Coldwell, Toronto, announced the engagement of their daughter, Dianne Marilyne, to Grant Raymond Reid, Toronto, formerly R.R. 2, Stirling, Ont. Marriage to take place Saturday the twenty-first of June, 1969, at three-thirty o'clock at St. George's on the Hill Anglican Church, Dundas Street West, Islington. Reception following at the Ascot Inn, Rexdale Blvd., West Rexdale.

## At Synod

Mr. Glenn Morrow and Mr. Robert Noble attended the sessions of Synod of the Diocese of Ontario, last Tuesday and Wednesday at Kingston.

## Midget Softball This Week End

There should be plenty of action at the Rawdon Recreation Centre this coming week end, as the Spring Brook Midget Ball Club will be host to a North York Midget Ball Club from Toronto. There will be two games on Saturday, one at 11.00 a.m. and one at 2.00 p.m. This will be a good exhibition of ball as we have seen this Toronto team play and they have a good ball club.

## Hockey School Course

Arrangements have been made for a bus load of Bantam and Midget players to attend hockey school on the week of August 11th to 15th. This bus load will be the only ones on the ice at the one time.

For further information, phone immediately as the first thirty names will be accepted. Phone Ron Hadley, 395-3774, or Doug Andrews, 395-3686.

## YOU CAN'T BEAT MURN.

There's no better fellow than Murn, Stapley. In his prime, he was widely known by farmers because he fired the engine or fed the separator at many of their fall threshings. He is kind to children and often can be seen being followed for a treat. They get it, too. He is equally good at feeding Senior Citizens. Last week, he furnished donuts, cheese and hot drink and Helen and Mina served them.

Pres. Fred read a thank you note from Helen (Saries) Toffin, who spent a few afternoons with us recently. He also thanked Murn and his harem for lunch.

Years ago, the tinsmith was a very important part of hardware stores. They repaired and built milk pails, factory vats, milk cans, etc. A few of these were: Smith, McGowan, Conley, Bean and Henry Tulloch. Henry was with Melkjohn Hardware for years. He was noted as one of our best fishermen and you couldn't beat him at his trade. Although retired for years, not long ago I saw him up a ladder. You can't keep a good man down.

## Elected Director

Mr. and Mrs. Herb. Wall, Stirling, attended the Canadian Postmasters Association, Ontario Branch Conference, at the LaSalle Hotel, Kingston, Ont., on May 24th and 25th. Mr. Wall was elected a Director of the C.P.A. Association.

## School Board To Meet Here In June

Hastings County School Trustee, Donald Williams, informed the News-Argus this week that the June meeting of the Board will be held in Stirling.

This is the first meeting of the Board to be held outside the City of Belleville, since it was incorporated in January this year.

The meeting is called for June 23rd, at 7.30 p.m., at the Stirling Intermediate School and is open to the public to attend.

## SPORT NOTES

(By Mike Finnigan)

### GLENN ROSS TRIUMPHS

#### 2-0 OVER CROOKSTON

The local ball season opened last Thursday for the Rebels. The team, led by the pitching of Robert Cooke, came out on top by the score of 2-0. The hits were divided among Spencer, Pyear, two by Cooke and two from Ken Smith.

#### STIRLING TENNIS

There will be a meeting of the Tennis Club on June 3rd, at 7.30 p.m. in the Council Chambers.

Memberships are as follows: Juniors, up to 18 years, \$2.00; Seniors, \$5.00.

## SPRING HORSE SHOW SUNDAY

The Hastings County Riders will present their annual Spring Horse show on Sunday afternoon, June 1st.

The meet will be held at the Stirling Fair Grounds, starting at 1.30 p.m.

The events to be put on include: western pleasure class, reining class, barrel race, Poles bending, Trial class, flag race, pick-up race, ring race.

In each event, the riders will have to count on their skills, manoeuvring their horses, as well as the speed of the animal.

It is hoped the event will promote riding interest among area residents. The public is invited to attend these games.

## "At Home"

Mr. and Mrs. Herman Vardy will be at home to their relatives, friends and neighbours at their home, 161 Front St. W., Stirling, on Saturday, May 31st, from 2 to 4 in the afternoon, and from 7 to 9 in the evening, on the occasion of their 50th Wedding Anniversary.

## With The Oak Hills Flying Club

(By Allan Morton)

No one sees the beauty of his home town until he moves away. Most people don't see its facilities either. Since being employed by the Oak Hills Flying Club, I have been talking to many people from surrounding towns. Possibly they know more about Stirling's golf club, ski club and flying club than some of our own residents. All of us, as citizens, should learn what we can about our recreational facilities and promote our town.

People in the area are disillusioned about flying and small airports. When most people think of airplanes and airports, they usually think of a Hercules Transport plane and Trenton Air Force Base. A flying school such as the Oak Hills Flying Club is involved with the same paper work, government charters, and other red tape just as Air Canada. In the eyes of the Federal Government, except for size, Air Canada and the Oak Hills Flying Club are equal.

Recently, I was asked how I was a flying instructor when I am only nineteen. The answer is simple. I took the same courses wrote the same examinations and passed the same flight tests as a person twice my age.

What I am trying to point out is that our flying and business operations are under strict government control and our airplanes are not toys.

Don't think of the Flying Club as being a cow pasture on top of the Oak Hills. Although, with all the government red tape, we sometimes wish it were just that.

## Sidney Township Faced With Tax Rise of 18.5 Mills

Residents of Sidney Township will be suffering an increased tax levy this year of 18.5 mills.

Commercial and industrial tax rates will be increased by 21 mills.

At its budget meeting last week Sidney Township Council set an overall rate of 100.7 mills for residential and 115 mills for commercial - industrial an increase respectively of 18.5 mills and 21 mills over last year's 82.2 mills and 94 mills levy.

The general township rate for farm and residential property is 23.9 mills this year compared with 25.6 mills last year.

The county rate is 29.3 mills an increase of 1.6 mills over last year's levy of 27.7 mills.

Public school costs have taken a tremendous jump from \$68,131 last year to \$153,383 this year and generally school rates have leapt from \$232,000 last year to \$372,000 this year.

The rate is based on a township assessment of \$6,632,845 which raises a little less than \$400,000 in taxes.

The total budget for Sidney is almost one million dollars this year, standing at \$973,755 compared with \$822,420 last year.

According to clerk J. E. Harder the increase is attributed mainly to the increase of county rates and school rates.

## Local Residents In Hospital

Local residents who were admitted as patients at Belleville General Hospital this week include Mrs. Clarke Rodgers, Mrs. Mel Tanner and Mrs. Clifford Lansing.

## At Convocation

Mrs. Edwin Warren attended convocation exercises in Guelph, on Wednesday last week when her son-in-law, Larry Pyear, graduated from the Associate Diploma Course in Agriculture, at War Memorial Hall, University of Guelph.

## Larger Than France

The Province of Quebec covers 594,860 square miles, almost three times the area of France itself.

## Accepts Position

Chas. E. Hicks, former Chief of Police of this Village, has accepted a position on the Campbellford Police Force.

## Riverview Speedway Stock Car Races Popular

Over 3000 people attended the first stock car meet of the season at the Riverview Speedway, Trenton.

In spite of high-speed races no serious crashes or injuries resulted.

The Speedway has become a successful operation under the guidance of owners, Paul Auger and Clifford Stillman, two Trenton business men.

Next meet is scheduled for this Saturday night.

## Engagement

Dr. and Mrs. R. B. Murray, Stirling, announce the forthcoming marriage of their daughter, Janet Lorraine, Reg.N., Peterborough, to Edward Douglas Fallaize, son of Mr. and Mrs. J. E. Fallaize, R.R. 1, Pickering. The wedding will take place on Saturday, June 28, 1969, at 4 p.m., at St. John's Anglican Church, Stirling.

## 63rd Anniversary

Congratulations are extended to Mr. and Mrs. Arthur Hulin, Church St., who will quietly celebrate their 63rd Wedding Anniversary on Friday, May 30th.

## \$3,000 Netted In Bank Raid

Two armed bandits Monday escaped with \$3,000 to \$5,000 from the Bank of Nova Scotia Branch in Concession, a community of 360 persons 10 miles south of Trenton.

Police said the men, carrying what appeared to be a rifle or shotgun, entered the bank at 11.30 a.m. and ordered manager Kenneth Hopwood and the teller, Linda Haight, to lie on the floor.

A car believed to have been used in the getaway was found abandoned 19 miles away an hour later. Police have set up roadblocks on all exits leading from the County.

## Annual A.O.T.S. Sponsored Bus Trip

Following church on Sunday morning, and a quick lunch, 42 folk boarded Franklin Bus and headed for Ottawa on the annual A.O.T.S. sponsored bus trip.

We were driven past many places of interest and through the parks and grounds near the Parliament Buildings. With thousands of tulips in bloom, and the sun shining the drive along the Rideau Canal and Dow Lake was magnificent. We strolled through the gardens at the Experimental Farm, then returned to Southminster United Church where we were greeted by Rev. and Mrs. Lloyd Shorten and served a sumptuous fried chicken dinner.

Rev. Burn Pardon, minister of St. Mark's French United Church, spoke briefly, concerning his work with French Canadians, followed by a question period.

We then walked to the famed Ottawa Civic Centre, where we attended the Lion's Club Memorial Service, which was the starting of their Convention.

About 10 o'clock, we boarded the bus for home. The few who turned out their lights for sleep soon gave up, took up their song sheets and joined in. When Ernie Munro left us along the highway near Perth we wondered if it was the singing? (Or was he going visiting?) Incidentally, if anyone wants an interesting family history, take "The Smalls" down Highway 7 to Ottawa.

Thus ended another trip — an afternoon of fun and fellowship.

## Rawdon Township Council Sets Mill Rate At Special Meeting

Rawdon Township Council, at a special meeting on Thursday evening, May 22nd, set their tax rates for the year 1969.

Residential rate for 1969 will be 99.9 mills, up 15.6 mills over last year.

Commercial rate for 1969 was set at 102.1 mills, up 16.01 mills over 1968.

The school rate this year increased 11.7 mills, 2.3 on Secondary schools and 8.4 on Elementary schools.

## Attend Convention

Mrs. Roy LaChapelle, Mrs. Ray Burley and Mrs. Jack Doran, of town, were delegates to the Forty-Seventh Annual Diocesan Catholic Women's League Convention, held at the 401 Inn, in Kingston, on May 24th and 25th.

Mrs. Ray Burley is Spiritual Convener for the Archdiocese.

During the evening, the address was read by Albert Hubble and John Morgan made the presentation of a gift of money, on behalf of the Mount Pleasant community.

Ralph and Sheila voiced appreciative thanks, after which the committee in charge served refreshments.

## Bethel UCW

On May 22nd, the Bethel U.C.W. met at the home of Mrs. G. Russett. The President, Mrs. H. Holden opened the meeting with the hymn, "The

Sands of Time Are Sinking" and

read the poem, "Be The Best of What-

ever You Are", followed by prayer.

The Secretary, Mrs. M. Wickens,

read the minutes and correspondence.

Invitations to bake sales and teas

were received. Monies were voted

for a delegate to Kingston in June

and to Quin-Mo-Lac. Twenty-four

members and four visitors answered

the roll call with a verse containing

the word "flower".

Mrs. R. Pender led in the worship

service with prayer followed by The

Lord's Prayer in unison. Mrs. A.

Alkens read the Scripture, taken

from Isaiah, chap. 40. The hymns,

"We Plough the Fields and Scatter"

and "All things Bright and Beauti-

During the past several months, I have received many comments, questions and tips from several of my readers, and I may say that they are truly appreciated and welcomed. In many cases I have been able to use some of them for my column.

Just the other day I was informed that a pair of mallards are nesting in the Village not more than 500 yards from the four corners. It is hoped that they will not be molested and will be able to raise their young safely.

Some fair catches of Lake Trout are coming from the northern part of the County and some excellent Speckled Trout catches have been

taken in Algonquin Park recently by some of our local anglers. Lake Trout are still being caught in shallow water in the Algonquin-Rolphon area, at least in one lake I know of.

Pickering fishing in the Trent River has been excellent since the season opened. Minnows, worms, and some artificial baits are the ticket. The largest pickering we caught weighed 5 lbs., although we caught several around 3 lbs. Several muskies have been hooked and some landed, but any that we saw were returned to the water unharmed. Once the muskie season opens, a man will really have to work to catch one. It's either a feast or a famine.

### SUPPLEMENT GRASS WITH PURINA

Good grass is a benefit. Good dairymen take advantage of every acre of pasture they have. Cows love grass and it stimulates milk flow.

Yet, good dairymen know that grass is 85% water. As summer advances it turns brown, loses its palatability and is even less nutritious.

Tests at the Purina Dairy Center proved that cows fed a grain supplement with grass produced up to 20% more milk. They kept up in body condition, too, and held up better in production in following lactations.

Visit us at the store, or give us a ring. We'd like to suggest Purina's Research-proved plan for supplementing grass to help you get more milk from your herd over the summer.

### Executive Meeting of Belleville Presbyterian UCW

The spring executive meeting of Belleville Presbyterian United Church Women was held recently at King St. United Church, Trenton. Attending also were the presidents of the locals and the unit leaders.

Mrs. Harry Pierson, President, presided for the meeting and opened it with a meditation.

Mrs. George Williams, Regional Vice-President of Hastings Central, conducted the opening worship service, using as her theme "A Prayer Service for Outdoors".

A welcome was extended by Mrs. W. A. L. McDonald, President, King St. U.C.W. Greetings from the Conference United Church Women were given by Mrs. R. C. Ellis, Past President.

In reporting on program, Mrs. Jack Bush stressed that all new studies should be started in the fall. Mrs. F. J. Smith, in reporting for Christian Education and Missionary Education, said that missionaries for prayer would be sent to each local.

The need was again stressed for more used clothing for Overseas Relief; also the need to send shipping charges for overseas shipping.

The Regional Conference for all women of the Anglican Church of Canada and the United Church of Canada will be held at Queen's University, Kingston, June 20, 21, 22. The theme, "Tensions in Our Times".

The Bay of Quinte Conference School for United Church Women will be held at Albert College, Belleville August 22, 23, 24. The theme "Reconciliation". Miss Marjorie Smith Associate Secretary of the Board of Women will be the leader. The Dean of the School is Mrs. C. G. Thomp-

son. All locals are urged to send a representative to each of these.

A report in skit form of the Conference U.C.W. Annual Meeting held in Trenton in March was presented by Mrs. Jack Bush, Mrs. Albert Wallbridge, Mrs. Eric Foster, Mrs. Geo. Collings and Mrs. T. H. Kerr.

A stewardship presentation telling of the format and the duties of the new Stewardship Services which begins in 1970, was given by Mrs. Sidney Bates, Mrs. Douglas Moore and Mrs. C. Rozoniak. It was stressed that now the stewards would be responsible for promoting the stewardship of the total church as well as the local church.

son. All locals are urged to send a representative to each of these.

### Rawdon Fire Department Receives Congratulations

The following letter was received by Rawdon Township Fire Department on behalf of the Muscular Dystrophy Association of Canada:

Dear Mr. Sedore:

Please convey to all the men of the department our congratulations for the outstanding job they already did for MDAC this year. Your cheque in the amount of \$381.15 is a tribute not only to the enterprise of the department, but also to the generosity of your community.

Even five years ago we would not

have been able to offer much hope for victory over Muscular Dystrophy, but thanks to the recent progress in the study of inherited diseases and the interest and help from people like yourselves throughout Canada, we can now look forward with confidence to the day when an effective treatment is in the hands of our doctors.

Muscular Dystrophy is one of the few remaining deadly diseases of childhood. Victory over it will be one of medical science's greatest achievements, and those who took part in the struggle, especially the fire fighters of Canada, will have reason to look back with pride on the part they played.

Once again, on behalf of the many victims of muscular dystrophy may we express thanks and gratitude for your most valued help.

Yours very truly,  
David Green, M.D.  
Chairman of The Board

A young California couple took a visiting aunt for a drive and pointed out a fig tree as one of the sights.

"Fig tree!" exclaimed the elderly woman. "That can't be a fig tree."

"Certainly it is," said her niece. "What makes you think differently?"

"Well," said the aunt, subsiding a little, "I just thought surely the leaves must be bigger than that."

OF HASTINGS COUNTY

## HAYLAGE

Medium Moisture Hay Crop Silage  
T. Wayne Martin

Haylage, as this form of medium moisture silage is known, has a great potential for boosting the quality of stored forage on many farms. However, before moving to a haylage system there must be a serious consideration of the economics involved. Increased quality and quantity of forage as well as labour saved has to be weighed against the additional costs which occur in moving to a haylage system.

Haylage is a forage which is wilted to 60 to 50% moisture, having been cut in the late bud or early flowering stage for alfalfa, and heads emerging stage for grasses. There are several steps in the "recipe" for high quality haylage and these are: cut early; condition with a crusher or crimper; wilt the crop to around 60% moisture; measure moisture content; chop forage short; cover wagons; use good silos; fill silos fast; distribute material; seal the silage.

If you are considering haylage on your farm this year, you should discuss this with someone who has tried this crop, or contact the Stirling office of the Ontario Department of Agriculture and Food.

Last year the Hastings County Farm Service Club purchased a moisture tester mainly for use in deter-

mining the moisture content of forages. This moisture tester is available for use at the Stirling office, and is an important step in the Haylage Program. If you wish to have a moisture test run on your haylage, phone 395-3393, and arrange to bring in a sample for test. There is no charge for Hastings County Farm Service Club members, but there is a \$1.00 charge for non-members. Remember, in successfully managing forages, whether for haylage or hay, this crop must be handled as a high value crop, and one of the first steps is in cutting it at an early stage.

## DIRECT SEEDING

W. D. Tipper

The excessive rains have caused considerable difficulties in the normal progress of spring planting. It is particularly true on the heavier and lower lands where tile drainage is not a part of the system. This leads us to wonder if there will not be quite a few odds and ends of fields or corners of fields that will be very late in being planted. It might cause the average operator to wonder what to do with these fields in relation to trying to keep his cropping practices in package systems.

One suggestion is that this might be the place to use direct seeding of grasses and legumes. Direct seeding would avoid the necessity of having to try and finish up the very low wet spots under difficult conditions. The land could be left until it is in workable condition and then properly got ready for seeding. Simply stated, direct

ect seeding is a matter of seeding the grasses and legumes without a nurse crop but using all the normal fertility and cultivation practices. The problem of severe competition from annual weed growth that usually results until the grasses and legumes become established and are able to compete can be overcome by the use of selective weed sprays. The choice of selective weed sprays applied at a proper rate can remove the annual weeds and not effect the grasses and legumes. It is a system that might well be used under the conditions above as a means of allowing the spring planting to be fully completed with the least difficulties.

represent any kind of a worthwhile market for literature — but the Bible Societies of the world do not make that a primary consideration; their task is to see that the Word of God is in the language and within the reach of all. There is, for example, a small community of some 8,000 people who live on the banks of the Great Okavango River, the border between South West Africa and Angola. They are slowly becoming literate, and to meet their need the Bible Society of South Africa has produced the Acts of the Apostles in their language, Kwangali. A further point of interest is that this booklet has been printed by the Finnish Missionary Society's Press.

## THE BIBLE TODAY

I can safely say that one of the most memorable experiences in my life has been participation in the remarkable community involvement of the Trenton Chamber of Commerce. The enthusiasm and general "Go Ahead" spirit of chamber members has made possible a series of programs for the benefit of the town and large numbers of the people played active roles in the success of those programs.

Last week, all this effort was recognized by the Ontario Chamber of Commerce at their 57th annual meeting in Ottawa, where I was favoured with the honour of accepting the President's award on behalf of the Trenton Chamber.

In selecting Trenton for this award the committee based it on the "Inspired Programings Designed to Promote Citizen Involvement in Community Projects", judged us outstanding for all Chambers in the Province of Ontario. This reflects credit on the members who worked so hard to organize the Walkathon to raise funds for the Retarded Adults' Workshop, the Annual Canoe Race, the Soap-Box Derby and the Christmas Lighting Program, and many other projects. Thanks to their efforts, community service is becoming a year-round affair in Trenton.

## 68th District Annual of Hastings West District Women's Institute

The 68th District Annual of Hastings West District Women's Institute was held in Centenary United Church May 13th, with Bay of Quinte branch as hostess.

An interesting feature of the opening exercises was the dedication of a new banner which had been designed by Miss Connie Tucker and carried to completion by Mrs. Vernon Harry and Mrs. Kenneth Bush.

The address of welcome given by Mrs. Arnold Ketcheson was replied to by Mrs. Jas. Tomalty.

Mrs. Gerald Irvine, district Pres., reported having visited all branches in the district once and some, several times. She stressed the importance of the Women's Institute in community life, especially since the closing of the local schools and churches.

The reports of the standing committee convenors showed that the branches had been very active as evidenced by the many interesting topics, tours and projects undertaken. Such subjects as pollution control, The Ont. Milk Marketing Board's plan to fight the adulteration of milk, Hyperplasia of gland cells, Our educational system to-day and its rising costs, proved that members were keeping abreast of the times in their programs.

Lawyers, doctors and public health nurses had proved interesting speakers.

The Public Relations officer reported a total of \$614.90 having been

spent in community projects. Tours were enjoyed to the Can. National Institute for the Blind, Toronto City Hall, Federal Parliament Bldgs., Black Diamond Cheese, Ont. Intelligence and Radio Station C.J.B.Q., Cook Chocolate Co., Edwards Gardens and the Adelaide Hoodless Home-stand.

Two courses viz. "Treasures in your Attic" and Vegetables with a Flair were conducted and several branches attended the food forum on "Tricks with a Mix".

Mrs. Edison Sine, Provincial Board director gave a very interesting and informative report on the work of the Provincial Board. There are 1342 branches in the province with a membership of 3,150. Mrs. Austin Zoeller is the new provincial pres., succeeding Mrs. Everett Small. The resolutions considered were many and varied. Such subjects as television programming, The rising cost of education, Estate and Gift Tax, Dangers of Cigarette smoking, were included. Mrs. Sine urged members to use the loan library, which provides a valuable source of program material.

During the afternoon session, Mrs. Roy Bush reported on the progress of the District Tweedsmuir History. The delegate who had attended the Officers' Conference at Guelph viz. Mrs. Roy Nobes, Mrs. Everett Phillips, Mrs. Gerald Brooks and Mrs.

Robert Burkitt, reported various highlights of the conference. Miss Mary MacEachern's report of the 4-H Homemaking Clubs showed a marked increase in membership.

Mrs. D. Hollinger conducted the "Pennies for friendship" ceremony at which \$93.74 was received to assist the work of the "Associated Countrywomen of the World."

Mrs. John McLean, Seaford, Ont. guest speaker from the department, brought a very worthwhile message. She stressed the importance of storing Tweedsmuir Histories in a safe place as many cases there is no way of reclaiming the historical facts contained therein.

Mrs. McLean continued her talk by saying: "Because your officers are responsible for the success or failure of your organization, choose wisely. There is no greater insult to an incoming officer than to tell her, 'There's nothing to it'. The membership in your branch can be compared to a bank account. The more you have in it, the more you have to draw from. Always welcome strangers and be sure each member is given an opportunity to do something." She stated that February is International month and a program on the Int. Peace Garden would be most appropriate. She also stated that citizenship day is in May, United Nations day in Oct. and Human Rights day in Dec. Urging women to keep programs up-to-date and related to the needs of the community, she reminded them of the saying: "The only difference between a rat and being dead is the depth of the hole."

Throughout the day, community singing led by Mrs. Donald Sandercock with Mrs. Robert Burkitt at the piano, interspersed the various reports and brought a welcome respite from the business at hand. Bay of Quinte branch provided a tasty salad plate luncheon at noon and also provided a humorous skit in the afternoon.

Election of officers resulted as follows:

Hon. Pres. — Mrs. Gerald Irvine, Stirling R.R. 4  
Pres. — Mrs. Cecil Jeffrey, R.R. 5 Trenton.

1st Vice Pres. — Mrs. Roy Tucker, Box 134, Stirling

## Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

QUESTION:— Dear Sir: I just can't seem to get my husband interested in our financial affairs. He brings home the money, it is true, but he leaves it all up to me to pay the bills and budget the money. He doesn't even know how much we have in our savings and checking accounts. And to top it all off, last week he had an occasion to write a check and noticed that our balance was only \$50.00. He made some remark like: "Where did all the money go?" I was so furious I could see red. How can you help? Mrs. J.E.B.

If he really wants to know where "all the money goes," Mrs. B., here's what I suggest you do. I assume (though maybe I'm wrong) that you are not working from a budget. He just gives you the money and you pay the bills. Right? I that's the case then sit down and make a list of all your outstanding bills that come due each month (rent or mortgage payment, furniture, utilities, car payments, etc.). Then, figure out all your other costs such as food, clothing for the family, transportation, entertainment, cigarettes, etc. — in fact everything you spend money for. Put that all in one column on the page. In the other column simply enter the amount of take-home pay your husband receives per month. Write a note at the top which says "This Is Where Our Money Goes" and then hand it to him.

You may get him interested enough to ask some questions so that hopefully, he will be concerned about where all the money goes and the two of you can sensibly discuss a workable budget.

I'm not really opposed to you writing all the bills and actually handling the finances. I believe that one member of the family should be designated the finance officer. But I also believe in keeping the other member informed, especially when it comes to making decisions involving your finances and sticking to an agreed upon budget.

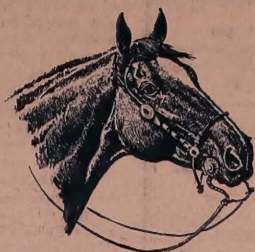

From time to time I have received letters from individuals who have asked how much of a down payment they should make on a high-ticket item. Most of them have been individual cases and I have answered them by mail. But since there may be many others who have also wondered about the "down payment bit," I will devote this column to attempt to answer the question.

First of all, you may not have any choice in the matter. If it's an automobile you're purchasing, for example, or a home, there may be minimum amount required by the seller. Your choice is whether you want to increase the down payment, thus reducing your monthly payments... or pay the minimum down and perhaps keep a little more cash on hand for reserve and emergencies.

Let's say that you buy a used car listed at \$895. With financing over a 24-month period, plus tags, title and tax, the total comes to something like \$1,000. With a \$200 down payment and an unpaid balance of about \$800, the monthly payments will be around \$33 a month. The down payment, then, represents about 20% of the total. Ten percent down — or \$100 will leave an unpaid balance of \$900. Your monthly payments would be approximately \$4 to \$5 more per month.

There is certainly no purpose in making a down payment so large that it robs you of supplying the daily necessities of life or that it requires you to exhaust your reserve fund. On the other hand, it's foolish to make as small a down payment as possible, only to discover that the monthly payments are so large it imposes a definite hardship on you.

As in the entire subject of consumer credit, the guiding factor to the right decision is going to be based on wise, thoughtful consideration and evaluation. Generally, a down payment should be at least 10 percent of the total package cost. On the other hand, it could be 20 percent or more. It all depends on you... your situation and your own judgement.

Mrs. Bert Finkle, 87, and William Wallace Dawson, 103, sit on the stoop outside Mrs. Finkle's home and remember old times when Mr. Dawson lived in the Stirling area.

## Older Than Canada Itself Former Area Man Returns

"When I came to Belleville they still had streetcars drawn by horses."

That's the active memory of William Wallace Dawson, of Vancouver, 103-year-old former area resident, who has returned to this part of the country to visit old friends.

And it would take a very good memory to be able to recall those early days when Mr. Dawson first came to Belleville. It was 1882.

But he has a long life to remember for he's 65 days older than Canada itself, having been born April 26th, 1867, near London, England.

He came to Canada as a farm labourer and worked at many jobs in Belleville, Stirling and Trenton and in the Madoc and Marmora areas.

He worked at a hotel situated near the upper bridge in Belleville, the name of which has long been forgotten. The owner was James Ketcheson.

While in the Stirling area, he made his home with Mr. and Mrs. Earl Fox. Mr. Dawson worked for a number of years farming with Mrs. Fox's father, the late Thos. Spry.

Mr. Dawson is a veteran of two major wars, the Boer War and the First World War. He was "Lord Kitchener's batman" in the Boer War and saw action in Germany in

the First Great War.

He remembers that he was medically inspected by five doctors before he managed to get in a regiment from Stirling to fight in Germany.

Mr. Dawson lives in Vancouver at present since moving out west in 1905. He has since made about 15 journeys from his home there to this part of the country, almost all of them by bus.

He has lived in the prairies, near Estevan, Saskatchewan, and it is there that his wife died a number of years ago when she froze to death.

But he still has two daughters, Edna, 49, and Doreen, 45, who both live out west.

He left Monday to head back to wards Estevan and Vancouver, staying in Estevan to see his daughter for a couple of days.

"I have to look after my pension," he says as an excuse for returning home.

Mr. Dawson has had many years to formulate a political philosophy and he doesn't mind talking about it.

He has strong opinions about Canadians who are trying to break up the country. "If they don't like it here, why don't they leave?"

But, who is the best prime minister Canada has ever had?

Why Sir Wilfred Laurier, of course.

"He was a great man for the working people."

And then there's the old issue of the Canadian flag.

"We served under the union jack for many, many years, so I can't understand why they had to go and get a new one."

He is an avid hockey fan, with Toronto Maple Leafs being his favourite team. Asked who was his favourite hockey player, without hesitating, he remarked: "Why, Turk Broda, of course."

But, how do you get to be 103 years old?

"No smoking and no drinking. I've been drinking tea all of my life. Smoking and drinking just keeps the government going."

Many more happy birthdays, Mr. Dawson.

## Do You Remember?

— TWENTY-FIVE YEARS AGO —

ISSUE MAY 25th, 1944

Word was received by Mr. and Mrs. P. W. Long on Tuesday that their son, William Long had arrived safely overseas.

## Shower Party at Mount Pleasant

On Friday evening, May 23rd, a shower party was held in Mount Pleasant Hall for the newlyweds, Mr. and Mrs. Jody Sager, nee Barbara Williams.

Bouquets of spring flowers were used for decoration.

The bride and her attendants all wore their wedding attire. Relatives and friends were in attendance from Campbellford, Trenton, Milton, Belleville, Moira, Thurlow, Stirling and nearby points.

Robert H. Hoard was master of ceremonies and spoke briefly. Humorous readings were given by Mrs. Percy MacMullen, Mrs. Herbert Smith, Mrs. R. H. Hoard and Mrs. Harry McAdam.

The assembly singing was in charge of Mrs. Mac Sharp and Mrs. Garth Joslin. Piano solos were given by Miss Jeannette Hoard and by Ivan Johnson and Tom Johnson, of Moira. A vocal duet was presented by Lynn and Gregg Joslin and a piano duet by Debbie David and Mrs. Mac Sharp.

Musical selections were contributed by Kenneth Couch, accordion, Donnie Campbell, banjo, and Harvey Couch, harmonica. Vocal solos were given by Kathy Hutcheon and Lynn Joslin.

Ray Williams, Campbellford, showed

slides, depicting wedding scenes, bridge building at Campbellford and exquisite views of flowers, rock gardens and parks taken while on their trip to the Western provinces.

The young couple were given seats of honour and an address was read by Miss Jean Jeffs and Miss Brenda Campbell made the presentation of a gift of money from the Mount Pleasant community. The individual gifts included a pictorial church plate from the U.C.W.

The recipients voiced thanks for the gift and party in their honour and invited their friends and relatives to visit them at 194 Charles Street, Belleville.

The committee in charge served refreshments and a social hour was enjoyed, after which those in attendance expressed their personal good wishes to the bride and groom.

## River Valley Institute News

(By Mrs. Percy MacMullen)

Mrs. Roy Bush, who has been curator of Hastings West Tweedsmuir History for the past few years, displayed the book at the recent Annual Meeting of the District held at Centenary United Church. Mrs. Bush is now the assistant to Mrs. Gerald Irvine.

The Pennies for Friendship from the eight branches, amounted to \$93.15. The District Treasurer has remitted this directly to F.W.I.O., Toronto, and it will go in a cheque from Ontario to the Associated Countywomen of the World, to be used to carry on their world-wide activities.

The gifts were as follows: River Valley, \$25.30; Uniondale, \$15.70; Wallbridge, \$12.00; Stirling, \$10.00; Sidney South, \$9.30; Bay of Quinte, \$7.85; Chatterton, \$7.00; Pinegrove, \$6.00.

The River Valley members who assisted with the District Annual were: Mrs. Roy Tucker, dedication of the new banner; Mrs. Vernon Harry, Secretary-Treasurer; Mrs. Gerald Brooks, Home Economics and Health; and highlights of Gospel Conference; Mrs. Glenn Bush, District Director; Mrs. Ernest Carr, District Delegate; Mrs. Roy Bush, Tweedsmuir History; Mrs. Percy MacMullen, Report of Nominating Committee.

BOB SULLIVAN — Auctioneer  
Plainfield Thurlow 477-2672

A man rushed into a drugstore and  
asked the druggist how to stop hic-  
cups. The answer was a slap in the  
face. Amazed and angry, the man de-  
manded the reason for such behavior.  
"Well," the druggist said, "You  
don't have hiccups now, do you?"  
"No!" shouted the customer, "But  
my wife out in the car still has!"

### Student Employment

(Continued from Page One)

been mailed a letter covering the sub-  
ject of temporary work for students.

It will be realized, of course, that  
in having an "off-premises office",  
for the student, it allows Manpower  
counsellors operating at the regular  
Belleville Canada Manpower Centre  
more time to counsel the breadwinner  
as it were, who is also seeking work.

The Belleville Canada Manpower  
Centre's planned student employment  
program has been endorsed and will  
be supported by municipal officials,  
service clubs, the Belleville Chamber  
of Commerce, Hastings County Board  
of Education, Hastings and Prince Ed-  
ward Counties Separate R.C. School  
Board, the Belleville and District Em-  
ployment Committee and the Belle-  
ville and District Labour Council, who  
have already co-operated in meeting  
the cost of the telephone installation  
and telephone rental at the Student  
Summer Employment Centre.

We know from past experience that  
local employers are co-operative and  
with this wholehearted support and  
within the limitations of the economy  
everything which can be accomplish-  
ed will be to meet the objective of  
maximum summer employment op-  
portunities for the local students. All  
of us has a share concern and stake  
in this problem.

I would like to conclude my re-  
marks by making a personal appeal  
to all employers — Please take a good  
look at your operations and if you  
can use a student this summer, please  
call The Canada Manpower Centre,  
for the student you hire this summer  
may be your future accountant, en-  
gineer or general manager.
